

Assistant Professor

The Department of Dietetics and Nutrition at the University of Kansas Medical Center (KUMC) seeks an individual for a 12 month, tenure track position as an Assistant Professor. The desired candidate will have research and teaching interest related to nutrition.

The location and environment at KUMC provides excellent opportunities for interdisciplinary research collaborations. KUMC is a large, urban academic medical center with numerous research resources, centers and institutes to support a research program. The Department (<http://www.kumc.edu/school-of-health-professions/dietetics-and-nutrition.html>) offers research focused MS and PhD graduate programs and an accredited Dietetic Internship program.

Requirements: Doctoral degree in Nutrition or closely related field; evidence of productivity and strong potential for extramural funding in nutrition; experience in academic teaching; outstanding oral and written communication skills; and ability to work with others in a collegial team atmosphere.

Preferred Qualifications: Registered Dietitian; post-doctoral experience; research funding as PI (examples: NIH, American Heart Association, American Diabetes Association, etc.); and peer-reviewed published papers.

Application: For a complete position announcement please visit www.jobs.kumc.edu, posting number: **F00241P**. Applicants should apply online. We will begin reviewing applications by December **1st, 2017** or until the position is filled. Covers letters are submitted online but should be addressed to: Holly Hull, PhD, Department of Dietetics and Nutrition, Mail Stop 4013, University of Kansas Medical Center, 3901 Rainbow BLVD, Kansas City, KS 66160, Email: hhull@kumc.edu.
