

# Nutrition Obesity Research Club

**INAUGURAL MEETING**

**SAVE  
THE  
DATE**

Supported by  
**BNORC, NORCH,  
BADERC and the  
Joslin Diabetes  
Center**

## **Mission:**

To promote closer interactions and collaborations among nutrition and obesity researchers in Boston and throughout New England

**Saturday  
October 27, 2018**

**Boston University  
Photonics Center  
Colloquium Room**

**6-8 St. Mary's Street**

**Target Audience:** Trainees and Junior Investigators

**The club will have two major components:**

- ◆ **Research Presentations:** Communication of new data with feedback from senior faculty.
- ◆ **Datathon:** Teams consisting of junior researchers, engineers and data scientists will work together to analyze provided datasets related to nutrition and obesity research.

***Stay tuned for a Call for Abstracts and a Call for Datathon Teams***
