Alpha Omega Alpha (AOA) is the only national honor medical society, and it is organized exclusively for educational purposes. Its aims are the promotion of scholarship
and research in medical schools, the encouragement of high standards of character and 
conduct among medical students and graduates, and the recognition of high attainment in 
medical sciences, practice, and related fields. Its motto is: “Be worthy to serve the 
suffering.”

We look forward to the students participating in an energetic Chapter that is a vital part of 
our campus. A formal induction ceremony will be held in the spring; meanwhile, please 
join us in congratulating the inductees.
