

Chief Resident Clinical Addiction Research and Education (CARE) Program
14th Annual Chief Resident Immersion Training (CRIT) Program
Faculty Mentor Application
Addiction Medicine: Improving Clinical and Teaching Skills for Generalists
May 3-6, 2015 • Cape Cod, Massachusetts

The Faculty Mentor's role in attending the CRIT Program is to assist their Chief Resident with the development and implementation of the Chief Resident Substance Use Teaching Project at their home institution upon returning from CRIT. Your incoming Chief Resident must be accepted into the CRIT Program in order for you to attend. With limited faculty slots, selection of faculty attendees is based upon your statement and faculty role.

Faculty Mentor Applicants Must:

1. Be a Program Director or core residency program faculty;
2. Have strong influence over residency curriculum development;
3. Possess educator and mentor skills that would benefit Chief Residents through the implementation of their Substance Use Teaching Project (developed at the CRIT Program);
4. Be able to dedicate time throughout the year following attending the CRIT Program to assist your Chief Resident with incorporating teaching about addiction into curriculum;
5. Attend the entire training with your Chief Resident.

Please submit the following items in addition to this completed application:

1. A curriculum vitae (CV)
2. A statement (300 words or less) including: a) how attending the CRIT Program with your Chief Resident will enhance his/her ability to implement addiction medicine curriculum including completion of a Substance Use Teaching Project; developed at CRIT and b) how your current faculty position will enable you to add addiction medicine content into the residency program curriculum. **Note:** This statement will serve as the letter of support for your Chief Resident's application.

Application materials will be accepted until February 6, 2015.

This application is also available electronically and can be submitted online at: www.bumc.bu.edu/crit

Please Print Clearly
