

CityLab Scholars Program

Extend your SummerLab experience!

The Scholars Program is designed for students who have completed SummerLab and want to learn more about biotechnology.

Scholars meet each month after school to deepen their knowledge of laboratory techniques by performing advanced experiments.

Who

SummerLab is open to all current high school students. There are no prerequisites.

What

An opportunity for students to get hands on lab experience with biotechnology. We offer two curricula– Go for the Glow and Clinical Connection– to choose from.

Where

We are located at 801 Albany St. on BU's Medical Campus.

Satellite locations include Gann Academy in Waltham (Session 2) and Archbishop Williams High School in Braintree (Session 3).

When

Session 1	July 8-12	Go for the Glow
Session 2	July 15-19	Go for the Glow
Session 3	July 22-26	Go for the Glow
Session 4	July 29- Aug 2	Clinical Connection
Session 5	August 5-9	Clinical Connection

SummerLab

Biotechnology Program

At Boston University CityLab

Boston University School of Medicine
CityLab

CityLab's SummerLab Biotechnology Program

Have you ever wondered what it would be like...

to work in a biotechnology laboratory?

to genetically engineer a protein?

to make medicines?

If you answered YES to any of these questions, then SummerLab is for you!

At SummerLab, you will learn biotechnology techniques associated with recombinant DNA, protein purification, cell lysis, and gel electrophoresis.

You will act as a member of a research team and will use state-of-the-art equipment to perform experiments of their own design.

Fast Facts

- Open to students entering the 10th grade through their first year of college.
- SummerLab is a one week program.
- SummerLab runs from 9-3 daily.
- Commuters and boarders are welcome.
- Housing is available on the Charles River Campus (additional fees apply).
- Scholarships are available for students receiving free or reduced lunch.
- Online applications and additional information can be found at www.bumc.bu.edu/citylab or by calling 617-638-5665.

SummerLab culminates in a poster session for family, friends, and fellow BU scientists.
