Faculty
Planning Committee
Robert Burkart, MD, MPH, FACG, ACG Co-Chair
Robert F. Spiller, MD, FACG, AGAF Co-Chair
Boston, MA
Beth Israel Deaconess Medical Center
Chief of Gastroenterology & Hepatology

Sang Eun Kim, MD
Boston Children’s Hospital
Assistant Professor of Pediatrics
Division of Gastroenterology, Hepatology and Nutrition
Massachusetts General Hospital
Chief, Division of Gastroenterology

Arif A. Mohammad, MD
Brigham and Women’s Hospital
Assistant Professor of Medicine
Division of Gastroenterology, Hepatology and Nutrition

Susan D’Mello, MD
Boston Children’s Hospital
Assistant Professor of Pediatrics
Division of Gastroenterology, Hepatology and Nutrition

Sandra Nguyen, MD
Boston Children’s Hospital
Assistant Professor of Pediatrics
Division of Gastroenterology, Hepatology and Nutrition

Vanessa I. Pallat, MD
Brigham and Women’s Hospital
Assistant Professor of Medicine
Department of Gastroenterology and Hepatology

Jen M. Weinshank, MD
MASS General Brigham
Assistant Professor of Medicine
Department of Gastroenterology, Hepatology and Endoscopy

Guest Faculty
Glen Alper, PhD
Medical Director, The Northern Illinois University Research Foundation

James M. Bicket, MD
Mass General Brigham
Assistant Professor of Medicine
Department of Gastroenterology, Hepatology and Endoscopy

John D. Bohn, MD, MPH, FACG, AGAF
Brigham and Women’s Hospital
Assistant Professor of Medicine
Division of Gastroenterology, Hepatology and Nutrition

Richard A. Hodin, MD
Boston Children’s Hospital
Director Emeritus
Center for Inflammatory Bowel Disease

Ronald Bleday, MD, FACS
Boston University School of Medicine
Associate Professor of Surgery
Division of Colorectal Surgery

Eva Szigethy, MD, PhD
The Cleveland Clinic Foundation
The Ed and Joey Story Endowed Chair
Professor of Medicine
Division of Gastroenterology

Bo Shen, MD
The University of Chicago Medicine
Professor of Medicine
Hepatology and Nutrition

Support
This conference is supported in part by exhibit fees from:
- Prometheus Laboratories, Inc.
- Takeda Pharmaceuticals U.S.A., Inc.
- Boehringer Ingelheim

Support is acknowledged in part by educational grants from:

Agenda

♦ September 18 - 19, 2015

12:00 Registration
12:30 Introduction and Welcome
1:00 What is the Role of the Microbiome in the Pathophysiology of IBD
Koenraad J. Mortele, MD
1:15 Debate: Fecal Transplant Is Useful in IBD
Moderator: Sonia Friedman, MD, FACG
James Becker, MD | Richard A. Hodin, MD | Ronald Bleday, MD, FACS
2:15 How to Use Your Biologic in Your Practice
David T. Rubin, MD, FACG, AGAF
2:40 Q & A Session
3:25 Challenging Cases For The Faculty
Moderator: Richard P. MacDermott, MD, MACG, AGAF, FACP
Punyanganie de Silva, MD, MPH, MRCP(UK) | Meghan Z. Markowski, PT, DPT, WCS, BCB-PMD
3:55 Q & A Session
4:20 Adjourn

Hotel & Reservations

The Colonnade Hotel
120 Huntington Avenue, Boston, MA 02116

♦ September 18, 2015

10:40 Skin Disease in IBD: How to Diagnose and Treat
Arun A. Quewerl, MD, MPH
11:00 Debate: Pot Bellied Fat and Skip the Surgery: Patients With Crohn’s and Abdominal Abscess Should Be Managed With Antibiotics, Percutaneous Drainage and Biologics
Joshua Koziner, MD
Don’t Play With Fire! Patients Should Be Managed With Antibiotics, Drainage and Bowel Resection
Moderator: Alexander S. Pollok, MD
11:40 Q & A Session
11:50 Prevention and Management of Complications of Biologics and Immunotherapies
M. Kamaran, MD, MMSc
12:05 Break
12:15 Lunch
12:30 Sexual Function in IBD: What is the Truth?
Moderator: Sara G. Friedman, MD, FACG
Flavia Gavalora-de Almeida, MD, FACG, MMSc | Lillian K. Mercado, MD, MPA, D.O., MMSc | PT, D.O., MMSc, BIDP/ED
1:00 Q & A Session
1:15 PANI: New Surgical Options For IBD
Moderator: Richard J. Greco, MD, FACS
James Becker, MD | Richard A. Hodin, MD | Richard Boeck, MD, FACS
1:40 Break
2:00 Break
2:20 DEBATE: Fecal Transplant Is Useful in IBD
Moderator: David T. Rubin, MD, FACG, AGAF, FACP
Kulika Mohapatra, MD, MPH, MRCP(UK) | Meghan Z. Markowski, PT, DPT, WCS, BCB-PMD
3:20 Q & A Session
3:55 Q & A Session
4:20 Adjourn

Accreditation

Target Audience
Gastroenterologists, general internists, gastroenterology trainees, colorectal surgeons, nurses, pharmacy practitioners, and other healthcare professionals with patients with Crohn’s disease and ulcerative colitis.

Educational Needs Addressed
This course is designed for healthcare professionals who care for patients with Inflammatory Bowel Disease (IBD). It carves out two conditions: ulcerative colitis (UC) and Crohn’s disease. These conditions are complex immune-mediated gastrointestinal disorders. In people with IBD, the immune system mistakenly mounts an inflammatory response in the intestine to foreign invaders, and initiates an inflammatory response resulting in damage to the lining of the intestine and colon causing inflammation and scarring. Pain, ulcers, abdominal cramping, and bleeding are symptoms of IBD. In the case of Crohn’s disease, the immune system is similar, but current theories focus on a combination of factors which include genetic factors, environmental triggers, altered responses to the intestinal microbes, and immunotherapeutic intervention.

As many as 1.5 million persons in the United States suffer from IBD with approximately 30,000 new diagnoses made each year. This is a progressive chronic condition that has no clear cure. It is therefore essential to have a well-organized care plan that facilitates an effective and timely diagnosis and treatment. The program will offer a variety of topics that will afford healthcare professionals the opportunity to learn about the latest trends and advances in the field of IBD.

Educational Objectives
• Identify the most current approaches to the diagnosis of Crohn’s disease and ulcerative colitis
• Recognize the indications and type of therapies for patients with Crohn’s disease and ulcerative colitis
• Discuss the role of endoscopic and imaging examinations and biopsy in the treatment of Crohn’s disease and ulcerative colitis
• Discuss the role of surgery in Crohn’s disease and complications
• Discuss the management of pain in Crohn’s disease and ulcerative colitis
• Discuss current evidence-based approaches to nutrition in Crohn’s disease and ulcerative colitis

Core Competencies
This activity has been developed with consideration given to the American Board of Medical Specialties Core Competencies. This activity will increase your competency in the areas of: Patient Care, Medical Knowledge, and Systems-based Practice.

Accreditation
University of Louisville School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Award University School of Medicine designates this live activity for a maximum of 12.00 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent to which they participated in the activity.

Continuing Education Unit Provider University School of Medicine is accredited as a provider of continuing education for the American Nurses Credentialing Center (ANCC). As of July 1, 2012, the term CE was replaced with the term CERP which stands for Continuing Education Recognition Program. ANCC approval states that the participant received continuing education at the specified level. For this activity, the participant received one continuing education unit (CEU) for each hour of directed educational experience. Participants will receive a certificate of participation for this activity. This certificate is issued in a print format. Participants will also receive a certificate of attendance in an electronic format.

As a provider of CME activities accredited as a provider of continuing medical education by the American College of Physicians, the University of Louisville School of Medicine designates this activity for a maximum of 12.00 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent to which they participated in the activity.

Contact Information
The Conference Office can be reached at 502-852-4000 or email ceinfo@louisville.edu for registration or general information. For questions regarding this program, call 502-852-4000, Monday through Friday, 8:30 am to 5:00 pm.

Substitution/Cancellation Policy
Substitutions can be made until two weeks prior to the conference. Substitutions made after this time will be charged a $50 processing fee. Cancellations received greater than two weeks prior to the conference will receive a full refund. Cancellations received less than two weeks prior to the conference will be assessed a 50% fee. If you are unable to attend, you are encouraged to forward your registration to another individual. In the event that the conference is cancelled due to unforeseen circumstances or the sponsor deems it necessary, a full refund will be issued. Boston University School of Medicine reserves the right to change the conference program without prior notice or liability. The success of this program will be measured by the increased knowledge and skills gained by the participants. Attendees are encouraged to take notes to assist them in retaining the information presented and are responsible for following up with their physicians and the sponsoring organizations for any additional information that may be of interest. Boston University School of Medicine reserves the right to exclude participants in a manner consistent with the needs of the program. The dates and locations of the conference may be changed without notice.

Disclaimer
The opinions expressed in this program are those of the speakers and do not necessarily reflect the policy of University of Louisville School of Medicine or the institutions that provided support for this program. The speakers and planners of this program have disclosed all pertinent financial relationships with any organizations that produce, market, distribute, or provide educational services relating to the content. The University of Louisville School of Medicine has reviewed all relationships to determine if any present a conflict of interest. The speakers and planners have been instructed to disclose their relevant financial relationships and to resolve any conflicts. The program planners have reviewed the disclosure information and determined that no conflicts of interest exist.
