

School's (Almost) Out for the Summer – Research Professional Jeopardy!

Today's RPN Workshop

- Looking *back* to this Academic Year 2022-2023
- Looking *forward* to Academic Year 2023-2024
- Jeopardy game with Inter-institutional teams!

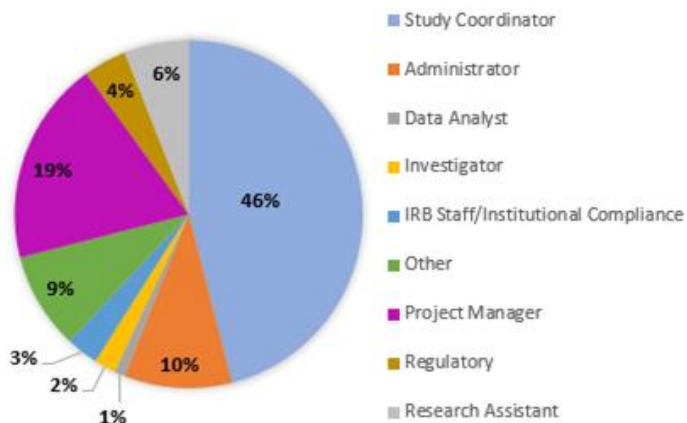

RPN Workshop Stats AY 2022-2023

- Average attendees per workshop: **98**
- Just under **1000** participants this AY!
- Average attendees per workshop, by institution:
 - BU/BMC: **21**
 - MUSC: **23**
 - UF: **28**
 - UVM: **25**

Oh, the Places You'll Grow! in Research:
Your Career and How to Get Where You Want
to Go

THIS IS RPN JEOPARDY!!

AY 22/23 Workshop Presenters and Facilitators

Presenters

Sara Ardren, UVM
Sheila Austin, UF
Kayla Brown, BU
Lauren Card, MUSC
Kristen Clasen, MUSC
Denise Fine, BMC
Jen Holmes, UVM
Nastasia James, UF
Erin Klintworth, MUSC
Anna Kukulka, UF
Diana Lee-Chavarria, MUSC

Rana Leed, BU
Melanie Locher, UVM
Kim Luebbers, UVM
Patricia Lutton, UVM
Katrina Madden, MUSC
Kristen Mummert, MUSC
Matt Ogrodnik, BU
Fiona Rice, BU
Mary-Tara Roth, BU
Osheeca Thompson, UF
Sarah Thomson, BMC

Facilitators and Team Leads

Carrie Bednarz, FSU
Laurie Chassereau, UVM
Yunhan Chen, BMC
Emily Crowley, BU
MaryBeth Horodyski, UF
Katrina Madden, MUSC
Alyssa Pingitore, BU
Lisa Smith, UVM

We truly couldn't do this without you!

Workshop Series

RESEARCH PROFESSIONALS NETWORK

[June Directly to Registrations](#)

Offered monthly, the Research Professionals Network holds a series of peer-led, collaborative workshops. These workshops are focused on topics relevant to research professional staff and are based on the [MIOC Joint Task Force for Clinical Trial Competency Frameworks](#). Each workshop is led and presented by staff at the collaborating institutions and affiliates and are supported by the Leadership Team.

The workshop series is an inter-institutional effort between four academic institutions and their affiliates with a Leadership Team composed of individuals from each organization.

- Boston University Medical Campus, Boston Medical Center, and affiliates: contact [Mary Tara Roth](#) or [Rana Leed](#)
- University of Florida and affiliates: contact [Sheila Austin](#)
- University of Vermont and affiliates: contact [Kimberly Luebbers](#)
- Medical University of South Carolina and affiliates: contact [Diana Lee-Chavarria](#)

Workshop Library

All previous recordings and slides are available in our [Workshop Library](#).

Suggestions for future workshops are always welcome and can be submitted by completing our [Training and Education Recommendation Form](#).

Since the workshops began in 2017, several publications have been written or presented on the RPN Workshops. A

2/28/2023	Project Management in Clinical Research: Putting Out Fires and Starting Fires	Slides Video

Looking Forward → Update on Contact Hours

- As of May 2023, ACRP is no longer willing to provide review of material or contact hours for external educational content
- All workshops prior to May will still have contact hours
 - Will be provided when ACRP completes review of previous months
- May and June will not have contact hours

Tentative Plan

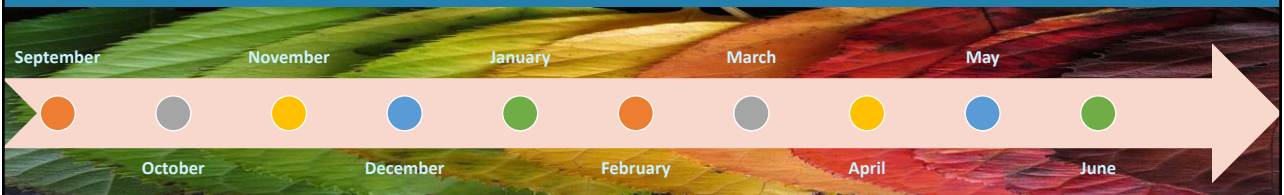

- Starting September 2023, University of Vermont CME office will be reviewing material and providing contact hours
- All attendees will receive attendance certificates that can be used to submit to their specific credentialing organization
- Will be provided under ANCC (American Nurses Credentialing Center)

Looking Forward → Academic Year 2023-2024

Plan for this summer

June
Survey about Topics

July
Casting Call for Presenters

Looking Forward → Academic Year 2023-2024

Topics Survey - June

- Rank possible topics
- Provide other topic suggestions

Presenter Casting Call - July

- Recommendations for presenters
- Volunteers for presenters

Presenting - Not that Scary!

- Work with team - presenting team and leadership team - definitely not left alone to struggle!
- If newer to presenting, can pair with more experienced presenters
- What do you like to do? What are you proud of? - That's what you should present on!

Topics in the mix so far...

Repeat Career Panel - more in depth? different focus?

Three-part series: Startup/Initiation, Open and Enrolling, Closeout

Working with Industry - Managing CRO expectations, timelines. How to not reinvent the wheel each time.

Conversation between multi-site lead team and site – what is needed and why, how to build the relationship

Round Robins - Shorter Presentations (how to write a note to file memo, team management, documenting training (convincing people to do it), designing visit checklists, others?)

THIS IS RPN JEOPARDY!!

RESEARCH PROFESSIONALS NETWORK

GENERAL GAME PLAY

1. Team leader will select a question from the Jeopardy board
2. Team members will communicate with their teams & leaders via your team Google Jamboard
3. Team leaders will be called based on who raises their hand first
 - ▶ Be sure to answer in the correct format, "What is...., Who is...?"
 - ▶ **Failure to answer in the jeopardy format will result in an incorrect answer and loss of points for your team.**
4. If correct, the team will be awarded the points for the question and select the next question.
 - ▶ If incorrect, the team will lose the points associated with the question and the next team who raised their hand will be called on to answer the question....

Keep your hands raised until the question is complete

DAILY DOUBLE & FINAL JEOPARDY

5. There are two Daily Double questions
 - Teams can choose to double the points for the question for each of the daily double questions
 - Doubling the points also doubles the risk, if you answer incorrectly, you will lose the twice the points
6. There is a Final Jeopardy Question
 - Teams will determine how much to wager on the Final Jeopardy question
 - The final wager will be direct messaged to Diana Lee-Chavarria in zoom chat
 - Once all teams have locked in their wager, we will display the Final Jeopardy question
 - Teams will have **30 seconds** to determine an answer
 - Each Team's final answer will be direct messaged to Diana Lee-Chavarria in zoom chat
 - We will call on each team lead to give their teams response and wager, calculate each team's final score, and declare the winner!
