

AHA Supporting Undergraduate Research Experiences (**AHA SURE**) Summer Program

Through a partnership with the American Heart Association, mentored 10-week summer research experiences are available for 4 undergraduates.

PROGRAM BENEFITS:

- \$6,000 stipend
- On-campus housing
- Travel costs to Boston
- Travel to AHA scientific meeting

CANDIDATE ELIGIBILITY:

- May be pursuing a degree in any field but must have expressed an interest in a healthcare-related field.
- Must be a full-time rising sophomore, junior, or senior undergraduate.
- Must have exemplary academic performance.
- We strongly encourage applications from candidates who identify with groups that have been historically underrepresented in medicine and health sciences as defined by the National Institutes of Health (NIH).
