M.D./Ph.D. DEGREE CANDIDATES WHO ANTICIPATE ENTERING BUSM III IN SUMMER 2015

Since M.D./Ph.D. degree candidates are awarded both the M.D. and Ph.D. degrees simultaneously (at the time of completion of both degrees), the dates for submission of dissertations may vary from the above schedule of deadlines. Consequently, M.D./Ph.D. students who expect to complete the Ph.D. portion of their studies in 2014-2015 academic year and anticipate entering BUSM III in the Summer of 2015, should follow these rules:

Oral Exam should be scheduled prior to returning to the third year of medical school. The **Transition form** is due in the GMS Office prior to the scheduling of the **Final Oral Exam**. Students must stop by the GMS office L 309 to meet with the Registrar regarding completion of degree requirements.

Students should submit the **Ph.D. Dissertation Abstract** to the GMS Office for review and approval **at least 3 weeks** prior to the Oral Exam. **Oral Exam** should be scheduled **at least 2 weeks** in advance. Once your Abstract has been approved and you have scheduled your defense date, you will then need to submit a **Final Oral Examination Schedule to GMS**, along with one hard copy of your approved abstract.

Submit Final dissertation no more than 60 days after passing the Final Oral Examination. M.D./Ph.D. scholarships are not awarded until approved and signed dissertations have been accepted by the GMS Office.
