- Realty Firms
- Etc

Making connections happens in many ways
Be creative – your career will benefit from this.
Networking

Leverage your network to find people who can assist you with connections to people who will impact your life
Connections Through People

- Lab mates
- Former colleagues
- Friends
- Mentors
- Organizations that you are a part of
- Individuals you meet at events
- Biotech professionals who speak at events
- LinkedIn connections
Levels of Networking
If you have coffee once a week with someone new, you will have

- in 1 year, 52 new contacts
- in 5 years, 260 new contacts
- in 10 years, 520 new contacts

Plus new connections from all of their connections
Elevator Pitches
Hello (Ellen). I am a (post doc) at (Boston University) studying (neuroscience – specifically Alzheimer’s formation). I will be finishing up in (6 months) and looking for a (research role) in a (smaller biotech) in the (Boston area). What is your background?
Three Levels of Elevator Pitches

- **The overview pitch** – networking events, cocktail hours, people who don’t know much about your area
- **The deeper dive** – meant for someone who knows a little about your area
- **The really deep dive** – meant for someone who knows your specific area
Utilizing your Network

Utilize your network to find the resources you need
Search your contacts to see who knows people, jobs, or companies that you are interested in.

- Ask them for an intro or referral
- Ask them for insights on the person, job or company
Advanced Search Feature - LinkedIn

Tips for Networking
Working the Room

- Develop Your Elevator Pitch
- Arrive Early
- Have Business Cards
- Opening Lines
- Two Sided Networks
- Coffee, Food, Drinks...
- Bring a Friend
Opening Lines

- **Name Tags**
  - What do you do at __________ company?
  - You work at ________ company – I just read about them in __________
  - How long have you been at ________ company?

- **Panel events**
  - What brought you to this event?
  - Have you heard the speaker talk before?
  - Is there anyone you are looking to meet at the event?
Follow Up

- Business Cards
- LinkedIn
  - Mention where you met the person
  - Customize LinkedIn connection email
- Keeping track of people (Salesforce, Excel)
- Keeping in Touch
  - Finding Reasons to Follow up (i.e. news feeds, press releases, etc)
Online Presence
>30% of jobs are filled using LinkedIn

This is not just for filling jobs...

- Networking event follow-up
- Informational Interviews
- Keeping in touch
- Searching for types of roles / companies to gain insight

Building Your LinkedIn Profile

- Details from your resume to build out your experiences
- Interest groups, affiliations
- Details about leadership activities, AWIS, HBA, WEST, post doctoral association, etc.
- Details about research
  - Techniques, publications, conference presentations, etc.
- Picture
Lessons Learned

- Timing is powerful
- Chance favors the prepared mind
- Relationships are built over time
- Elevator pitches do happen
- Be open to meeting people and follow up to build relationships
- Have something to “offer” the person you are networking with – relationships are two-sided
- Relevant contacts can come from friends, business relationships, classmates, networking contacts, ...

You never know when a conversation or meeting may foster future opportunities...
