Marsh Chapel

- Our life together is focused around our Sunday morning, 11AM interdenominational worship service, an hour of liturgy, music, and homily available in the nave of Marsh Chapel, on the radio throughout New England at WBUR 90.9 FM, and streaming on the internet at www.wbur.org.
- The Chapel hosts weddings, memorial services, vigils and other services for members of the University community.
- Chaplains are available for pastoral counseling and conversation and serve as a confidential resource on campus.
Religious Life

- As the Religious Life Office, Marsh Chapel has oversight of the full range of religious offerings at Boston University and works to support religious organizations in their programming.
- Marsh Chapel is open from 7AM-10PM daily, and all members of the BU family are welcome to stop by for a moment of respite and reflection.
- Contact chaplains and campus ministers through the chapel office at 617-353-3560 or at chapel@bu.edu
