## ***GMS Career Development Monthly Seminar Series***

---

### ***August Seminar: Evaluating Transferable Skills***

Lauren Celano a Career Consultant will lead a discussion about the various skills that one can bring to an organization in addition to scientific expertise - Identification of opportunities and roles: Finding the right fit for you. Would you like to find out about how important it is to highlight transferable skills for individuals who have strong technical backgrounds? Evaluating your transferable skills will help you in identifying the right types of roles where you can utilize all of your strengths. Additionally, Lauren will discuss other factors to consider when choosing the right career path for you.

**Date and Time:** Tuesday, August 27, 2013 4:00 – 5:20 P.M.  
**Location:** 72 East Concord Street, BU School of Medicine
