10th Floor, R Building, R-1019

All services and academic accommodations **MUST** be authorized and approved by the Office of Disability Services.

Verification of disability/diagnosis takes time and thus, should be handled promptly!
GMS Student Support Services

Student Disability Services

• BU offers disability services and accommodations to any and all students who are diagnosed as having a disability.

Disabilities include but not limited to:

• Learning and Attentional Difficulties
• Physical Disabilities
• Psychological Disabilities
• Blindness or impaired Vision
• Deaf and Hard of Hearing

Eligibility for services and/or accommodations

• Students must submit current medical documentation and records verifying diagnosis and prior accommodations, including test reports.
• Student must be evaluated by appropriate personnel at the Office of Disability

Lorraine Wolf, Ph.D., Director lwolf@bu.edu (617)353-3658.
