

GMS TABLE TALKS & INTERNATIONAL COFFEE HOUR

If you enjoy learning about other cultures and meeting new people, this is the group for you!

TABLE TALKS is not a class or tutoring service. Rather **TABLE TALKS** is an opportunity to practice conversational English in an informal environment. Because this group is run by postdocs and students, **you** decide what we discuss and how we can best help you.

When: Mondays from
5:30-6:45 PM

Where: Room L-107

For more information,

TABLE TALKS weekly conversation group offers non-native speakers the opportunity to practice their English and to meet other BUSM members from different cultures. Partners are invited to join us and enjoy refreshments and conversation with others.

*TABLE TALKS is made possible by BUSM's
Graduate Medical Sciences and Office of
Professional Development and
Postdoctoral Affairs*
