GMS OPDPA Career Development Monthly Seminar Series

April: Advice for the Academic Job Search

Interested in joining the Academic Job market? This seminar will provide advice on how to prepare for the academic search. This will include insight on how to structure your CV for research intensive, teaching intensive, and research and teaching intensive positions. This seminar will cover the type of details that should be included in a CV such as a research statement, research detail, grants/fellowships, awards, teaching and mentoring experience, papers, presentations, and service as well as formatting suggestions for this information. Advice for writing research and teaching statements will be provided. Advice will be provided on how to identify organizations that may be hiring and the typical job search timelines. Lastly, information will be provided on details that should be gathered prior to an in-person interview to make this process more seamless.

Date and Time: Monday, April 13, 2015 4:00 – 5:20 P.M.
Location: BU School of Medicine, Instructional Bldg., 72 East Concord Street
Room: L-110
Registration: Email Yolanta@bu.edu open to graduate students and postdocs
