

Genome Science Research Symposium

*The Boston University Genome Science Institute
presents our first symposium
exploring genetics and genomics research*

When: Thursday October 8th 2009 from 1-5 pm

**Where: Boston University Medical Campus
72 E. Concord St
Instructional Building
14th Floor, Hiebert Lounge**

Attendance and poster presentations open to all Boston area researchers including undergraduate students, graduate students, postdoctoral fellows and faculty

Oral presentations will be chosen from abstracts submitted by undergraduate and graduate students, and postdoctoral fellows

Prizes for top posters in the undergraduate, graduate and postdoctoral categories

Representatives from BU graduate programs that provide training in genetics and genomics will be available

Abstract submission closes Tuesday, September 15th.

Go to <http://www.bumc.bu.edu/gsi/> for more information and to submit an abstract
