Subject: Attention:Upgrading Of All Account !!!

Welcome to Boston University Webmail,

Dear Account User

We are currently upgrading our data base and center of e-mail accounts ie homepage view. We will delete email accounts that are no longer age active to create more space for new accounts users.we have also investigated a system wide security audit to improve and enhance our current security.

To continue using our services you are required to update and re-confirmed your account data requested e-mail below.Otherwise your account will immediately deactivated from our database.

To complete your account confirmation, you must reply to this email immediately and enter your account details as requested below.
