

## Filling the gap between camp and school...

Though it's hard to believe that the summer is halfway over – it's still so hot outside! – camps will start winding down in the next few weeks. Do you need to fill the gap between summertime and school time? Parents in a Pinch, Inc. can help!

Parents in a Pinch provides you with in-home backup childcare. Simply give Parents in a Pinch a call at (617) 739-5437 or 1-800-688-4697 and a thoroughly screened and experienced childcare provider will come to your home and keep your children happy and entertained. You pay only the caregiver's hourly fee. In Massachusetts and Rhode Island, the fee is \$15.00/hour; in other locations, the fee ranges from \$12.00 to \$16.00/hour.

You can go to work knowing your children are in good hands – and really enjoying themselves. But call soon. August is a busy time for the Parents in a Pinch caregivers!

Call the Parents in a Pinch temporary placements department for more information or to make a reservation for care, or visit them online at [www.parentsinapinch.com](http://www.parentsinapinch.com).
