The Suffolk District Medical Society announced its first annual medical student scholarship program in 2009. The district leadership has come to realize the increasing problem of medical student debt and would like to offer students in the district an opportunity to receive a scholarship.

Three awards of $3,000 each will be granted.

Eligibility:
1. Enrollment in good standing in the MD program of a Massachusetts medical school
2. Eligible for 2nd, 3rd, and 4th year students
3. Membership in the Suffolk District Medical Society
4. One award per individual – no repeat awardees in future years

Requirements:
1. Cover letter with a brief statement of personal goals
2. Curriculum vitae containing legal residential address (maximum 2 pages)
3. A statement of academic standing from the medical school
4. Participation and/or commitment to organized medicine

Selection criteria:
1. Quality of personal statement
2. Academic and literary achievements
3. Interest in community service or advocacy
4. A diversity of represented medical schools will be sought

Application deadline: December 31, 2018

The scholarship awards will be presented at the Annual Meeting of the Suffolk District Medical Society, typically held in March/April. Mail completed applications to:
