

**The Spellbinders with "Lennie Baker"**

## **Puritan Lodge Masons Parkinson's Disease Benefit a Great Success**

It's no wonder that the recent Parkinson's disease benefit held Saturday, April 30<sup>th</sup> for the Massachusetts Chapter of the APDA sold out early. The Puritan Lodge Masons, under the leadership of Lars Johnson, provided a fabulous night of entertainment, friendship,

and fun. Over 200 people danced to the wonderful and talented Spellbinders featuring "Lennie Baker". Several volunteers spent many months preparing for this evening. Many gifts were donated for the very successful auction and raffle. On May 18<sup>th</sup>, Lars Johnson presented APDA BUMC Medical Director, Marie Saint-Hilaire, and Chapter President, Volodymyr Lyczmanenko, with a check for \$9,000 to benefit research and community programs. We thank Lars, his wonderful family, members of the Masons, and friends for providing this great evening.
