PHD STUDENT SUMMER RESEARCH STATUS REGISTRATION FORM  
(CERTIFIED FULL-TIME)

NOTE: This form is used in place of the Office of the University Registrar’s Registration Form. You need not submit a Registration Form if using this Summer Research Status Registration Form.

A student in a degree program in the Division of Graduate Medical Sciences who is engaged during the summer in full-time research as an essential component of the graduate degree program is eligible to register for Summer Research Status and to be certified as a full-time student. This will establish the individual’s official student status for purposes of loan eligibility and tax considerations. There is no charge to register for Summer Research status. Summer Research Status is available only for students continuing their studies in the fall; this status does not satisfy the mandatory registration for the final two semesters during which degree requirements are completed.
