PiBS Executive Committee Meeting on September 11, 2012:

- PiBS will participate in the Virtual Grad Fair on September 12, 2012. Dr. Hyman will represent the program. There will be another virtual grad fair to participate in on October 25th. Based on the experience with the first fair, the October 25th fair can have more adequate planning.
- PiBS will develop some outreach materials to use at recruitment events, such as the upcoming Idealist Fair, Open House, or ABRCMS.
- There is now a PiBS website. All individual program/department website should post a short description about PiBS on their Admissions pages and check the rest of their website content for accuracy.
- The PiBS Admissions committee members are:
  - Chair: Dr. David Levin
  - Biochemistry: Dr. Bob Varelas
  - Biophysics and Physiology: Dr. Jeffrey Moore
  - Genetics and Genomics: Dr. Rick Myers
  - Immunology: Dr. Barbara Nikolajczyk
  - Microbiology: Dr. Rahm Gummuluru
  - Molecular Medicine: Dr. William Cruikshank
  - Nutrition and Metabolism: Dr. Susan Fried
  - Pathology: Dr. Barbara Slack
- Baseline admissions criteria (GPA, GRE, research experience) will be determined, and the Admissions Committee will use a triage process.
