Zero-Sort Recycling™

ATTENTION TO DECALS

Each Zero-Sort Recycling container should have at least one of the ‘Descriptive’ decals. Pick the largest version that will fit in available space. It is also suggested that additional ‘Identifying’ decals be placed if space allows. The following pages have placement suggestions.

Descriptive Decal - Simple
(8” x 12” or 12” x 16”)
Used to identify the Zero-Sort Recycling container and to list what can go inside.

Descriptive Decal - Full
(15” x 9” or customized)
Used to identify the Zero-Sort Recycling container, to list what can go inside, and to explain how Zero-Sort Recycling is different from other recycling.

Identifying Decal - Simple
(3” x 3” or 6” x 6”)
Used to identify the Zero-Sort Recycling container.

Identifying Decal - Full
(12” x 4” or 24” x 8”)
Used to identify the Zero-Sort Recycling container.
