

CURRICULUM VITAE

MARLENE OSCAR BERMAN, PH.D.

ACADEMIC TITLES

Professor of Psychiatry, Boston University School of Medicine (BUSM)
Professor of Neurology (Neuropsychology), BUSM
Professor of Anatomy and Neurobiology, BUSM
Research Career Scientist, Department of Veterans Affairs
Affiliate Professor of Neurology, Tufts University School of Medicine
Affiliate Professor of Psychology, Suffolk University

ACADEMIC TRAINING

University of Pennsylvania	B.A.	June, 1961
Bryn Mawr College	M.A.	June, 1964
University of Connecticut	Ph.D.	August, 1968
Harvard University	Post-Doc.	1968 to 1970

HONORS AND AWARDS

Jack H. Mendelson Honorary Lectureship Award, National Institute on Alcohol Abuse and Alcoholism (NIAAA), 2016.
Distinguished Career Award, International Neuropsychological Society, 2012.
Henri Begleiter Excellence in Research Award, Research Society on Alcoholism, 2011.
Senior Scientist Research and Mentorship Award, NIAAA, 2007 - 2015.
Tribute for Lifetime Achievement, Massachusetts Neuropsychological Society, 2004.
Honorary Emeritus Member, Massachusetts Neuropsychological Society, 2004.
Research Career Scientist Award, US Department of Veterans Affairs, 2001 - 2015.
Visiting Senior Fellow Award, University of Melbourne, 1999 - 2001.
Senior Scientist Award, US Public Health Service, NIAAA, 1996 - 2012.
MERIT Award, US Public Health Service, NIAAA, 1995 - 2005.
Fulbright Senior Scholar Award, Australia, 1991.
Research Scientist Development Award, US Public Health Service, NIAAA, 1981 -1986.
Invited National Lectureship: Society of Sigma Xi, 1980 and 1981.
Research Career Development Award, US Public Health Service, NINCDS, 1976 - 1981.
Clinical Investigator Award, Veterans Administration, 1973 - 1975.
Research Associate Award, US Veterans Administration, 1970 - 1972.
Pre- and Post-doctoral Fellowships, NIH, 1966 - 1970.

EXPERIENCE

Director, Laboratory of Neuropsychology, and Professor of Psychiatry, October 1981 to present, Division of Psychiatry and Department of Anatomy & Neurobiology, BUSM.
Director, Behavioral Neuroscience Ph.D. Program, October 1985 to September 2014, Division of Graduate Medical Sciences, Boston University School of Medicine.
Research Associate, to Professor of Neurology (Neuropsychology), October 1970 to present, Department of Neurology, Boston University School of Medicine.
Research Scientist, October 1970 to present, Psychology Service and Aphasia Research Center, Department of Veterans Affairs (VA) Medical Center, Boston, MA.
Acting Director, Psychology Research, VA Healthcare System, Boston, MA, as needed, 1992 to present.
Affiliate Professor of Psychology, September 1973 to 2000, Clark University, Worcester, MA.
Affiliate Professor of Neurology, September 1994 to present, Tufts University School of Medicine, Boston, MA.
Affiliate Professor of Psychology, September 1998 to present, Suffolk University, Boston, MA.
Instructor of Psychology, September 1970 to May 1976, Harvard University Extension School, Cambridge, MA.
Instructor of Psychology, Summer 1970, Harvard University, Cambridge, MA.
US Public Health Service Postdoctoral Fellow, September 1968 to August 1970, Psychology Department,

Harvard University, Cambridge, MA.
Instructor of Psychology, September 1966 to June 1968, University of Connecticut, Storrs, CT.
US Public Health Service Predoctoral Fellow, September 1964 to August 1966, University of Connecticut, Storrs, CT.

PROFESSIONAL ACTIVITIES, INCLUDING EDITORIAL BOARDS, CONSULTING, AND COMMITTEE MEMBERSHIPS

EDITORIAL BOARDS:

Abstracting Service, American Psychological Association, 1973 - 1976 (*Diseases of the Nervous System and Physiological Psychology*).
Psychological Research (formerly Psychologische Forschung), 1976 - 1988.
The Behavioral and Brain Sciences, since 1979.
Alcohol Health and Research World, NIAAA, 1994 - 1997.
Journal of the International Neuropsychology Society, 1995 - 1999.
Journal of Clinical and Experimental Neuropsychology, 1995 - 2003.
Alcoholism: Clinical and Experimental Research, 1995 - 1997.
Neuropsychology, 1992 - 2002.
Neuropsychology Review, 2006 - 2010.
Journal of Studies on Alcohol, 1992 - 2007.
Neuropsychiatric Disease and Treatment, 2009 to present.
Journal of Alcoholism & Drug Dependence, 2013 to present.

GRANT REVIEW COMMITTEES:

US Public Health Service Mental Health Small-Grant Committee (NIMH). IRG Member, 1974 - 1978.
Ad Hoc Member of Site Visit Teams and Initial Review Groups, USDHHS (NIMH, NIDA, and NIAAA), 1977 to present.
Research Program Specialist, Alcohol and Drug Dependence, US Department of Veterans Affairs Central Office, 1988 - 1991.
Biomedical Research Support Grant Committee, Boston University Hospital, Member, 1988 - 1992.
Chairperson, Biomedical Research Review Committee (ALCB-2) National Institute on Alcohol Abuse and Alcoholism (ADAMHA), 1990 - 1991. IRG Member, 1987 - 1991.
Council on the International Exchange of Scholars (Fulbright Foundation reviewer). 1994 - 1997.
National Institute on Drug Abuse. IRG Member, NIDA-D, 1996 - 1998.
National Institutes of Health Director's Pioneer Award Program, Finalist Review Committee, 2011.

OTHER COMMITTEES:

Program Committee, Division, 6 (Comparative and Physiological Psychology), APA, 1976 - 1978. Chairperson for 1977 Convention, San Francisco, CA.
Awards Committee, Massachusetts Psychological Association. Member, 1979 - 1980.
Human Subjects Subcommittee, American Psychological Association Board of Scientific Affairs. Member, 1979 - 1982.
Member-at-Large of the Executive Committee, Division 6, American Psychological Association, 1982 - 1985.
Human Studies Subcommittee, Committee on Research and Development, Boston VA Medical Center. Member, 1979 - 1982; 1998 - 2010. Chairperson, 1983 - 1985.
Awards Committee, Massachusetts Psychological Association. Member, 1982 - 1983.
Task Force Network on Psychology and the Handicapped. Committee on Social and Ethical Responsibility, American Psychological Association. Member, 1982 - 1985.
Chair, Ad Hoc Committees on Professorial Appointments, Boston University School of Medicine, 1985 and 2001. Member, 1985 to 2008.
Search Committees: Psychiatrist-in-Chief, Boston City Hospital, 1983; Chair, Division of Psychiatry, Boston University School of Medicine, 1985; Chief, Psychology Service, Edith Nourse Rogers Memorial VA Medical Center, Bedford, MA, 1986 & 1993; Neurologist, Neurobehavioral Service, Boston VA, 1993; Boston University Learning Disabilities Program Coordinator, 1996.
Research and Development Committee, Boston VA Medical Center. Member, 1983 - 1988; Chairperson, 1987 - 1988.
Steering Committee/Senior Faculty Committee, Department of Psychiatry, Boston University School of Medicine. Member, 1985 - 1997.
Program Committee, Research Society on Alcoholism. Member, 1993.
National Planning Council, US Department of Veterans Affairs Medical Research Service. Member, 1993 - 1996.
National Task Force on Women in VA Medical Research. Member, 1994 - 1996.
Board of Directors, Massachusetts Neuropsychological Society. Member, 1992 - 1994; 1995 - 1998.
Henri I. Russek Student Achievement Award Committee, 1994 to present.

Executive Committee, Interdisciplinary Neurosciences Ph.D. Program, Boston University School of Medicine. Member, 1996 to 2013.

Steering Committee, New England Psychological Association. Member, 1989 - 2004.

Appointments and Promotions Committee, Department of Psychiatry, Boston University School of Medicine. Member, 1985 - 1997.

Steering Committee, Division of Graduate Medical Sciences, Boston University School of Medicine. Member, 1986 to 2014.

M.D./Ph.D. and MMEDIC 7-Year M.D. Admissions Committees, and M.D./Ph.D. Executive Committee, Boston University School of Medicine. Member, 1986 to 2010.

Academic Policy Committee, Division of Graduate Medical Sciences, Boston University School of Medicine. Member, 1996 to 2007.

Awards Committee, Research Society on Alcoholism. Member, then Chair, 1997 - 2000.

Faculty Affairs Committee, Boston University School of Medicine, 1997 - 2005.

By-Laws and Charter Revisions Committee, Boston University School of Medicine. Member, 1999 - 2000.

Chair, Committee of Investigation (possible scientific misconduct), Boston University, 2003.

CONSULTANT/ADVISORY ACTIVITIES:

Coordinator, Psychology Lecture Series, Newton Community Schools, Newton, MA, 1978 - 1979.

Consultant: Panel on Neurological Foundations of Behavior of the Long-Range Research Strategies Committee (Norman Geschwind, MD, Coordinator), NINCDS, USPHS, 1978.

Chair: Workshop on Neuropsychology and Individual Differences, Conference on Event-Related Brain Potentials as Tools in the Study of Cognitive Functions, Carmel, CA, January 1979. Sloan Foundation, sponsor.

Secretary-Treasurer, Division 6 (Physiological and Comparative Psychology), American Psychological Association, 1980 - 1983.

Senior Executive Advisor, US Department of Veterans Affairs Medical Research Service, Washington, DC, Fall, 1993.

Reviewer, Australian Research Council, 1995 to present.

Reviewer, NIAAA Neuroscience and Behavior Portfolio: Cognitive, behavioral, and structural deficits (issues related to vulnerability). Washington, DC, May 1998.

Reviewer, Department of Veterans Affairs William S. Middleton Award for outstanding research career contributions. Washington, DC, June 2003, and October 2004.

National Institutes of Health Tier 2 Reviewer, PHS Challenge Grants. July 2009.

Special Emphasis Panel, NIH Peer Review Panel: ZRG1 IFCN-C (02): Cognition and Neurotoxicology. December 2009.

NIH Director's Pioneer Award Panelist, February to May 2011.

Mentor: Alzheimer's Disease Translational Research Program, and Traumatic Brain Injury Program, Boston University School of Medicine, 2012 - 2015.

Expert Witness for prosecution and defense on civil and criminal cases, since 1980s.

PROFESSIONAL AFFILIATIONS

American Psychological Association - Fellow

American Psychological Society

Eastern Psychological Association

Fulbright Foundation - Life Member

Huntington's Disease Society of America - Life Member

International Neuropsychological Society

International Society for Biomedical Research on Alcoholism

Massachusetts Psychological Association - Fellow

Massachusetts Neuropsychological Society - Emeritus

New England Psychological Association

New York Academy of Sciences

Research Society on Alcoholism

Society for Neuroscience

Society of the Sigma Xi. National Lecturer, 1980 and 1981

RESEARCH GRANTS

1966-1968: The Effects of Frontal Lesions on Discrimination Learning and Delayed Response. NIH Predoctoral Fellowship, University of Connecticut. W.A. Wilson, M.D., Ph.D., sponsor.

1968-1970: Ocular and Cortical Factors in Discrimination. NIH Postdoctoral Fellowship, Harvard University. C.G. Gross, Ph.D., sponsor

1970-1972: Perceptual Asymmetries in Brain-Damaged and Normal Adults. VA Research Associate Award. H.

Goodglass, Ph.D., sponsor.

1972-1975: Normal and Pathological Human Brain Function. NIH, NINCDS, NS10577.

1976-1981: Normal and Pathological Human Brain Function. Research Career Development Award, NIH, NINCDS, NS00161.

1981-1986: Neuropsychology of Long-Term Chronic Alcoholism. ADAMHA, NIAAA Research Grant AA05211, and Research Scientist Development Award, AA00061.

1973-1995: Neuropsychology of Perceptual and Cognitive Functions. Clinical Investigator Award (1973 - 1976) and VA Merit Review Program, Medical Research Service, US Department of Veterans Affairs.

1985-1989: Boston University Aphasia Research Center. NIH, NINCDS, NS06209. PI: Harold Goodglass, Ph.D. (Section coordinator: Marlene Oscar Berman: "Cognitive Functions in Aphasia.").

1987-2020: Affective and Conative Changes in Alcoholism. ADAMHA, NIAAA, R01 & R37 AA07112, Research grants and MERIT Award.

1991: Lecturing/Research in Behavioral Changes and Alcohol-Related Brain Damage. Senior Scholar Award, Fulbright Foundation, Australian-American Educational Foundation.

1996-2005: Alcoholism, Aging, and Brain Functions. VA Merit Review Program, Medical Research Service, US Department of Veterans Affairs.

1996-2015: Affective and Conative Changes in Alcoholism. ADAMHA, NIAAA, K05 AA00219, Senior Scientist Award, and Senior Scientist and Mentorship Award.

2001-2015: VA Career Scientist Award, Medical Research Service, US Department of Veterans Affairs.

2006-2015: Alcoholism and Brain Functions. VA Merit Review Program, Medical Research Service, US Department of Veterans Affairs.

2016-2020: Affective and Conative Changes in Alcoholism. ADAMHA, NIAAA, R01 AA07112.

SIGMA XI NATIONAL LECTURESHIP SERIES

“Neuropsychological Consequences of Long-Term Chronic Alcoholism”:

1. Sacred Heart University, Bridgeport, CT. April 1979.
2. Union Carbide Corporation, Bound Brook, New Jersey. March 1980.
3. St. Louis University, St. Louis, Missouri. April 1980.
4. Corning Glass Works, Corning, New York. May 1980.
5. Hamilton College, Clinton, New York. September 1980.
6. Kent State University, Kent, Ohio. October 1980.
7. University of West Florida, Pensacola, Florida. November 1980.
8. Southeastern Massachusetts University, North Dartmouth, Massachusetts. April 1980.
9. Hobart and William Smith Colleges, Geneva, New York. April 1981.
10. IBM, Thomas J. Watson Research Center, Yorktown Heights, New York. June 1981.

“Obvious and Subtle Effects of Human Brain Damage”

1. Wichita State University, Wichita, Kansas. April 1980.
2. University of Texas, Temple, Texas. November 1980.
3. Ramapo College, Mahwah, New Jersey. March 1981.
4. Sam H. Houston State University, Huntsville, Texas. March 1981.

PAPERS PRESENTED AT PROFESSIONAL MEETINGS

FULBRIGHT SENIOR SCIENTIST, GUEST LECTURES IN AUSTRALIA

<u>Date</u>	<u>Institution and Location</u>
2 April 1991	ARBIAS, Inc., Fitzroy, VIC.
3 April 1991	University of Melbourne, Psychology Department, VIC.
4 April 1991	La Trobe University, Psychology Department, Bundoora, VIC.
26 April; 3 May; 24 July;	University of New England, Psychology Department,
9 August 1991	Armidale, NSW.
29 April 1991	University of Newcastle, Psychology Department, Newcastle, NSW.
16 May 1991	University of Sydney, Pathology Department, Sydney, NSW.
16 May 1991	National Drug and Alcohol Research Center, Sydney, NSW.
17 May 1991	Westmeade Hospital (Australian Board of Clinical Neuropsychologists), Westmeade, NSW.
24 June 1991	Royal Prince Alfred Hospital, Camperdown, NSW, and Rozelle Hospital, Sydney, NSW.
4 July 1991	University College of Central Queensland, Health Sciences Department, Rockhampton, MC, QLD.
13 July 1991	International Neuropsychology Society (Introduction to Workshop: Memory Disorders), Gold Coast, QLD.
16 July 1991	International Neuropsychology Society (Symposium on Dementias), Gold Coast, QLD.
14 August 1991	Australian National University, Psychology Dept., Canberra, ACT.

INVITED COLLOQUIA AND ADDRESSES

- Information-Processing and Concept-Formation Deficits After Human Brain Damage. Walter Reed Army Institute of Research, Washington, D.C., Department of Experimental Psychology. December 1971.
- The Effects of Brain Damage on Perception and Cognition. Boston University Department of Psychology. Nov. 1971.
- Perceptual and Cognitive Deficits in Human Brain-Damaged Subjects. Institute of Neurophysiology, University of Copenhagen. August 1972.
- Korsakoff Studies. Laboratory of Psychology, National Institute of Mental Health, Bethesda, MD. December 1972.
- Iconic Recognition and Concept Formation in Patients with Korsakoff's Syndrome. Psychology Department, Northeastern University, Boston, MA. March 1972.
- Behavioral Effects of Human Brain Damage. Psychology Department, University of Connecticut, Storrs, CT. October 1973.
- Neuropsychological Studies of Korsakoff's Syndrome. Children's Hospital Medical Center, Harvard Medical School, Psychiatry Research Seminar. April 1978.
- Chronic Alcoholism Can Cause Brain Damage. Newton Community Schools, Newton, MA. November 1978.
- Neuropsychological Deficits and Korsakoff's disease. Neuropsychology Seminar, MA Institute of Technology, Cambridge, MA. November 1978.
- Neuropsychology of Korsakoff's Syndrome. Psychology Department, Queens College, CUNY, Flushing, Long Island NY. March 1979.
- Neuropsychological Aspects of Alcoholic Korsakoff's Disease. Psychology Department, State University of New York at Stony Brook. February 1980.
- Laterality in the Human Brain. Biology Department, Wichita State University, Wichita, Kansas. April 1980.
- Neuropsychological Consequences of Long-Term Chronic Alcoholism. Psychiatry Research Colloquium, BUSM. May 1980.
- Neuropsychological Consequences of Long-Term Chronic Alcoholism, and, Obvious and Subtle Effects of Human Brain Damage. Biology Seminar Services, Lehigh Valley Association of Independent Colleges, at Cedar Crest College, Allentown, Pennsylvania. February 1981.
- Some Observations on the Memory Impairment in Alcoholic Korsakoff's Syndrome. Psychology Colloquium, University of Connecticut, Storrs, CT. April 1981.
- Ethics in Biomedical Research. Division of Psychiatry, BUSM, November 1981.
- Components of Memory Disturbed by Alcohol Abuse. Academic Lecture Series and Clinical Rounds. Division of Psychiatry, BUSM. February 1982.
- Obvious and Subtle Behavioral Impairments Resulting from Chronic Alcohol Abuse. Newington VA Hospital, Newington, CT. March 1982.
- Components of Memory Disturbed by Alcohol Abuse. Dept. of Gastroenterology, BUSM. March 1982.
- Obvious and Subtle Behavioral Impairments Resulting from Chronic Alcohol Abuse. Western Psychiatric Institute and Clinic, University of Pittsburgh, Pittsburgh, Pennsylvania. April 1982.
- Role Models. Massachusetts Psychological Association, Women's Interests Group, Boston, MA. February 1983.
- Neuropsychological Assessment. Division of Psychiatry, Boston University Medical Ctr., February 1983.
- Experimental Neuropsychology, Alcoholism and Brain Damage. Midwestern Psychological Association Invited Address, Chicago, Illinois. May 1983.
- Neuropsychology of Alcoholism. Division of Psychiatry. Boston University Medical Ctr., November 1983.
- Subtle Effects of Long-Term Alcohol Abuse: Perception, Memory and Behavior. Research Conference, Boston VA Medical Center, October 1984.
- Neuropsychology of Occupational Exposure to Organic Solvents. Gould, Inc., Newburyport, MA, March 1985.
- Research Findings on Cognitive Effects of Alcohol Abuse. Residents' Seminar Series, Division of Psychiatry, BUSM. March 1985.
- Neuropsychology Research. Interns' Academic Conference. Division of Psychiatry, BUSM. April 1985.
- Underlying Neuropsychological Components of Deficits Associated with Closed Head Trauma. Community Reentry Services, Inc., Lynn, MA, July 1985.
- Cognitive Dysfunction in Chronic Alcoholism. Seminars in Substance Abuse Problems, Boston VA Medical Center, December 1985.
- Research on the Neuropsychology of Alcoholism. Boston Alcohol Detoxification Project, Inc., April 1986.
- Cognitive Impairments in Alcoholism. Residents' Academic Conference. Division of Psychiatry, BUSM. April 1986.
- Comparative Neuropsychology, Alcoholism, and Amnesia. Fundamentals of Psychiatry, PGY-II Seminar, Division of Psychiatry, BUSM, April 1987.
- Links between Clinical and Experimental Neuropsychology. American Psychological Association, Division 40 (Clinical Neuropsychology) Invited Address. New York, August 1987.
- From the Clinic to the Laboratory and Back Again. Academic Lecture Series, Div. of Psychiatry, BUSM, April 1988.
- Veterans Administration Research Procedures: An Update on the Research and Development Committee. Boston, April 1988.
- The Brain. James Hennigan Elementary School lecture, Boston VA Medical Center, June 1988.

Learning and Memory Deficits in Detoxified Alcoholics. National Institute on Drug Abuse Technical Review Meeting, Rockville, MD, February 1989.

Memory and Dementing Illness. Psychopharmacology Seminar, BUSM, Boston, MA, April 1989.

Neuropsychological Studies of Chronic Alcoholics. Neurology Grand Rounds, Boston University Affiliated Hospitals Training Program, Boston, April 1989.

Alcoholism and Aging. Baycrest Centre for Geriatric Care, Toronto, Ontario, Canada, September 1989.

Delayed-Response Tasks. Parallels between Experimental Ablation Studies and Findings in Patients with Frontal Lesions. Conference on Frontal Lobe Function and Injury, Galveston, Texas, November 1989.

Experimental and Clinical Approaches to Varieties of Memory. 11th Annual Conference, New York Neuropsychology Group, joint meeting with the New York Academy of Sciences, NY, March 1990.

Alcoholism and Aging. Department of Pharmacology and Experimental Therapeutics, Academic Lecture Series, BUSM, September 1991.

Alcoholism and Aging. Division of Psychiatry Academic Lecture Series, Boston University School of Medicine, February 1992.

Alcoholism and Aging. Division of Psychology, University of Victoria, Victoria, British Columbia, April 1992.

Alcoholism and the Frontal Lobes. Mass. Neuropsychological Society, Boston, MA, December 1992.

Alcoholism, Aging, and the Brain. Neuroscience Group, Department of Behavioral Neurology, Beth Israel Hospital, Boston, MA, February 1993.

Neuropsychological Consequences of Long-Term Chronic Alcohol Abuse. Workshop, 15th European Conference, International Neuropsychological Society, Madeira, Portugal, June 1993.

Neuropsychological Changes in Alcoholism and Aging. Department of Psychology, University of Sydney, Sydney, NSW, Australia, July 1993.

Neuropsychological Changes in Alcoholism and Aging. Department of Psychology, Macquarie University, Sydney, NSW, Australia, July 1993.

Comparative Neuropsychology: Brain Functions in Nonhuman Primates and Human Neurobehavioral Disorders. Festschrift for Nelson Butters, Department of Psychiatry, University of California at San Diego, CA, August 1993.

The Neuropsychology of Alcoholism and Aging. Department of Psychology, Princeton U., Princeton, NJ, March 1994.

Neurobehavioral Consequences of Chronic Alcoholism. Neuroscience Program Lecture Series, Boston University School of Medicine, April 1994.

Neurobehavioral Consequences of Chronic Alcoholism. GRECC Program, Edith Nourse Rogers DVA Medical Center, Bedford, MA, April 1994.

Frontal System Dysfunctions in Alcoholism and Aging. International Society for Behavioral Neuroscience, Chatham, MA, May 1994.

Neuropsychology of Alcoholism and Aging. Psychology Department, Connecticut College, New London, CT, September 1995.

Neuropsychological Studies of Alcoholism and Aging. Behavioral Neuroscience Seminars, Brigham and Women's Hospital, Harvard Medical School, Boston, MA, February 1996.

Neuropsychology of Alcoholism. Psychology Service, Edith Nourse Rogers Memorial VA Medical Center, Bedford, MA, July 1996.

Obvious and Subtle Neuropsychological Changes in Alcoholism and Aging. 20th Annual Conference on "Treating the Addictions," Harvard Medical School Dept. of Continuing Edu., Boston, MA, March 1997.

Comparative Neuropsychology and Frontal System Dysfunction. Lecture Series on Frontal Systems and Substance Abuse. VA Outpatient Clinics, Psychiatry Service, Boston, MA, April 1997.

Neuropsychological Sequelae of Chronic Alcoholism. NIAAA Neuroscience and Behavior Portfolio Review of Issues Related to Vulnerability: Cognitive Behavioral, and Structural Deficits. Washington, DC, May 1998.

Neuropsychology of Alcoholism and Aging. Psychology Department, Boston University, Boston, MA, Sept. 1998.

Alcohol, Aging, and the Brain. Psychology Department, Suffolk University, Boston, MA, September 1998.

A Tribute to Edith Kaplan, Ph.D. Chair, Symposium on Dr. Kaplan's Distinguished Career. International Neuropsychological Society Convention, Boston, MA, February 1999.

Symposium on the Contributions of the Psychology Service, Boston VA Medical Center. Division 18's Distinguished Service Award (Oscar-Berman, M., Goodglass, H., Kaplan, E., Gardner, H., & Keane, T.). American Psychological Association Convention, Boston, MA, August 1999.

Cognition and Alcoholism. NIAAA Workshop on Alcohol-Induced Organ Toxicity: Implications for Treatment of Alcoholism. 31st Annual Medical-Scientific Conference, American Society of Addiction Medicine. Chicago, IL, April 2000.

Alcoholism and Aging. Conference on Brain, Vision, Memory for the Millennium. Princeton University, Princeton, NJ, May 2000.

Alcoholism and Aging. Department of Anatomy and Neurobiology. Boston University School of Medicine, Boston, MA, September 2000.

Behavioral Neuroscience: Program and Research. Alzheimer's Disease Center, Department of Neurology, BUSM, Boston, MA, August 2001.

Use of Comparable Measures of Cognitive Changes in Nonhuman and Human Models of Brain Dysfunction. Dept. of Psychology, University of Western Australia, Perth, Australia, November 2001.

Neuropsychological Changes in Alcoholism and Aging. Department of Psychology, University of Western Australia, Perth, Australia, November 2001.

Alcoholism and Aging. Dept. of Psychology, University of Melbourne, Parkville, Australia, November 2001.

Alcoholism and Aging: Are they similar or synergistic? Behavioral Neuroscience Seminar Series, Brigham and Women's Hospital, Boston, MA, February 2002.

Alcoholism, Aging, and Brain Functions. PreConference (Making the Right Connections: The Brain, Addiction & Recovery) of the 15th Cape Cod Symposium on Addictive Disorders, Hyannis, MA, September 2002.

Residual cognitive changes with long-term chronic alcoholism. Grand rounds, Edith Nourse Rogers Memorial VA Healthcare System, Bedford, MA, May 2003.

Cognitive changes with long-term chronic alcoholism. Behavioral and Cognitive Neuroscience University Seminar, Columbia University, New York, NY, April 2004.

Neuropsychological changes with chronic alcoholism. Substance Abuse Lecture Series, Tewksbury Hospital, Tewksbury, MA, November 2004.

Alcoholism's Effects on Brain and Behavior. New York Academy of Sciences, New York, NY. April 2006.

Neuropsychology in Boston. Department of Neurology, Rigshospitalet, Copenhagen University National Hospital. May 2006.

Anatomical deficits in alcoholism. International Conference on Applications of Neuroimaging to Alcoholism (ICANA-II). Yale University School of Med., New Haven, CT. January 2008.

Alcoholism's Effects on Brain and Behavior. Invited Address, American Psychological Association. Boston, MA. August 2008.

Cognitive, Emotional, and Motivational Changes in Alcoholism and Aging. National Institute on Drug Abuse, and National Institute on Aging Workshop. Washington, DC, October 2009.

Alcoholism, Emotion, and Brain Reward Circuitry. International Society for Biomedical Research on Alcoholism Symposium: Neuropsychological Studies of Alcoholism. Paris, France, September 2010.

Alcoholism, Emotion, and Brain Reward Circuitry. Henri Begleiter Grand Rounds Speaker, SUNY Downstate Medical Center. Brooklyn, NY, April 2011.

Transdisciplinary Alcohol Research: Gender Differences. Boston University Medical Campus Trans- disciplinary Symposium on Addiction Research and Services at BU, BMC, & DVA. Boston, May 2011.

Alcoholism, Emotion, and Brain Reward Circuitry. Boston University Division of Psychiatry Grand Rounds. Boston, MA, October 2011.

Nonmnemonic Deficits in Korsakoff's Syndrome. Symposium: Korsakoff's Syndrome Revisited with Neuroimaging and Translational Investigations. International Neuropsychological Society Convention, Montreal, Quebec, Feb. 2012.

Addictions and Gender. Research Symposium Discussant. Interdisciplinary Programs in Addiction Research, Treatment, and Prevention, Boston University, Boston, MA, April 2013.

Alcoholism and the Brain. Princeton University, Princeton, NJ, May 2013.

Neurobehavioral and Neuroimaging Studies of Alcoholism. Transformative Training Program in Addiction Science, BUSM, Boston, MA, October 2013.

Neurobehavioral and Neuroimaging Studies of Alcoholism. Substance Abuse Program, VA Boston Healthcare System, July 2014.

Brain Mechanisms Underlying the Perceptual, Emotional, and Cognitive Impairments Associated with Chronic Alcohol Use Disorder. National Institute on Alcohol Abuse and Alcoholism's Jack H. Mendelson, M.D. Honorary Lecture Series, Bethesda, MD, May 2016.

Functional and Structural Brain Abnormalities in Alcoholism. McLean Hospital Magnetic Imaging Center, Belmont, MA, May 2016.

Brain Mechanisms Underlying Perceptual, Emotional, and Cognitive Impairments Associated with Chronic Alcohol Use Disorder. Department of Psychiatry Grand Rounds, University of Connecticut School of Medicine, Farmington, CT, November 2016.

Residual Abnormalities in Brain and Behavior of Abstinent Alcoholic Men and Women. Colloque international de la Société des Neurosciences 2017 (NeuroFrance 2017). Bordeaux, France, May 2017.

Film: Techniques of Primate Brain Surgery: Cortical Aspiration and Subcortical Stereotaxic Lesions. Directed and Produced by Nelson Butters and Marlene Oscar Berman. Presented at the Eastern Psychological Association Convention, Boston, MA, 1972.

Video: Responsible Conduct in VA Biomedical Research. Contributors: M.L. Albert, R. Arbeit, J. Evans-Hamilton, L. Graham, K. Hastings, M. Oscar-Berman, & R. Straight. St Louis: VA-RMEC, 1995.
