

## Boston University Medical Group

# Excellence in Leadership Award

Given to a clinician who demonstrates exceptional clinical leadership and has made noteworthy contributions to enhancing clinical infrastructure and/or supporting excellence in patient care.

## **Jack Maypole, MD**

Associate Professor – Pediatrics

Dr. Maypole has been an Attending Physician in the Department of Pediatrics at BMC for seventeen years. He is the director of the department's Comprehensive Care Program, a clinical program for providing comprehensive services to children with special health care needs. He is also the Principal Investigator of the 4C program and the Massachusetts Alliance in Complex Care. He writes for academic and mainstream publications on issues of child health. He is recognized by his colleagues for his commitment to optimizing patient-clinician communication and fostering the team-based approach to meet the challenges of practice transformation and ACO implementation for BMC's clinical services.
