4- The 5th Annual Nancy L. R. Bucher, MD Seminar
Dr. George K. Michalopoulos, MD, PhD
Professor and Chair, Department of Pathology
University of Pittsburgh
(Note: seminar to be held in L112)

“Liver Regeneration”

11- Ulrich von Andrian, MD, PhD
Mallinckrodt Professor of Immunopathology
Department of Pathology
Harvard Medical School

“Anti-viral Immune Responses
in Lymph Nodes”

18- Mikhail V. Semenov, PhD
Instructor in Neurology
Children’s Hospital Boston
Harvard Medical School

“Wnt Signaling Activation and
Bone Density Diseases”

25- Rutao Cui, MD, PhD
Associate Professor
Department of Dermatology
Boston Medical Center

“UV-induced Melanogenic Response”

MARCH

4- Nir Hacohen, PhD
Assistant Professor of Medicine
Harvard Medical School

“Reconstructing Circuits of
the Innate Immune System”

11- Jacob Sloane, MD, PhD
Department of Neurology
Beth Israel Deaconess Medical Center

“Toll-like receptors in Oligodendrocyte
Biology in Multiple Sclerosis”

18- *SPRING BREAK*

NO SEMINAR

Boston University School of Medicine is accredited by the Accreditation Council for Continuing Medical education to provide continuing medical education for physicians. Boston University School of Medicine designates this educational activity on an hour-for-hour basis in category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Department of Pathology and Laboratory Medicine

Boston University School of Medicine, 72 East Concord Street, Boston, MA -2118-2526
