Dublin, Ireland

The role of the pathologist in the diagnosis of familial
GI cancer

29 Daniel G. Remick, M.D.

Department of Pathology & Laboratory Medicine

Immunopathology of cockroach allergen-induced
asthma

OCTOBER

6 Katya Ravid, Ph.D.

Departments of Biochemistry and Medicine

New roles for bone marrow and vascular
adenosine receptors in vascular pathology

13 Alyson Mangini

Department of Pathology & Laboratory Medicine

Type I Interferon regulation of Th cell responses in
SLE

20 Alpdogan Kantarci, PDS, Ph.D.

Department of Periodontology and Oral Biology

Endogenous anti-inflammatory lipid
mediators in prevention and treatment of
inflammation

27 Daniel G. Remick, M.D.

Department of Pathology & Laboratory Medicine

Anti-oxidant regulation of cytokine and chemokine
gene expression

NOVEMBER

3 Vesela Kovacheva, M.D.

Department of Pathology & Laboratory Medicine

Nutriepigenomics: How prenatal choline availability
affects brain development and mammary
carcinogenesis

10 VETERAN'S DAY HOLIDAY

NO SEMINAR

17 Rachel Hazan, Ph.D.

Dept of Pathology
Albert Einstein College of Medicine
Bronx, New York

N-cadherin signaling potentiates
breast cancer metastasis

(Co-sponsored by Women's Health Interdisciplinary Research Center)

24 THANKSGIVING HOLIDAY

NO SEMINAR

DECEMBER

1 Daniel G. Remick, M.D.

Department of Pathology & Laboratory Medicine

The complex immunopathology of sepsis

8 Zhigang Xie, Ph.D.

The Picower Institute for Learning and Memory
HHMI/Massachusetts Institute of Technology

Centrosome, microtubule length, and
interkinetic nuclear migration

Boston University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Boston University School of Medicine designates this educational activity for a maximum of (1 hour) hours in category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
