

PATHOLOGY SEMINARS, FALL TERM 2013
FRIDAYS, 1:45-2:45 P.M.
670 ALBANY STREET – LOBBY LEVEL – ROOM #107/108
REFRESHMENTS AT 1:30 PM

SEPTEMBER

TALK TITLES

September 20

Panagiotis Tsonis, PhD

Professor of Biology

Director of the Center for Tissue Regeneration and Engineering

University of Dayton

“Dissecting Tissue Regeneration
through the Lens”

*

September 27

Joel Weinstock, MD

Professor of Medicine

Sackler School of Graduate Biomedical Sciences

Tufts Medical Center

“Helminths and Autoimmunity”

OCTOBER

October 4

Kay Tye, PhD

Assistant Professor of Neuroscience

Department of Brain and Cognitive Sciences

Massachusetts Institute of Technology

“Optogenetic Approaches to Dissecting
Circuits Mediating Motivated Behaviors”

October 11

TBD

TBD

October 18

Carla Kim, PhD

Associate Professor of Genetics

Harvard Medical School

Principal Investigator

Boston Children’s Hospital

“Microenvironmental Regulation of Lung Stem
Cell Differentiation and Lung Cancer”

October 25

Clarissa Koch, PhD Candidate

Boston University School of Medicine

Department of Pathology

Connors Lab

“Characterizing the effect of
Transthyretin amyloid on the heart”

Boston University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Boston University School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Department of Pathology and Laboratory Medicine

Boston University School of Medicine, 72 East Concord Street, Boston, MA -2118-2526

NOVEMBER

November 1

Evan Chiswick, PhD Candidate

Boston University School of Medicine
Department of Pathology
Remick Lab

“Altered Phagocyte Function Precedes
Death in Polymicrobial Sepsis”

November 8

Mikel Garcia-Marcos, PhD

Assistant Professor of Biochemistry
Boston University School of Medicine

"A New Family of Trimeric G Protein
Activators That Controls Signaling
in Cancer and Development"

November 15

John Connor, PhD

Associate Professor of Microbiology
Boston University School of Medicine

“I Just Inhaled What? The Immune
Response to Aerosolized Viruses”

November 22

Alexander Vortmeyer, MD, PhD

Associate Professor of Pathology
Director, Neuropathology
Yale School of Medicine

"Human Tissue Research"

November 29

Thanksgiving Holiday-No Seminar

DECEMBER

December 6

Fernando Camargo, PhD

Assistant Professor,
Department of Stem Cell and Regenerative Biology
Harvard University
Stem Cell Program, Boston Children’s Hospital

"Hippo Signaling in Somatic Stem Cells"

Boston University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Boston University School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.
