

**PATHOLOGY SEMINARS, FALL TERM 2018**  
**FRIDAYS, 2:00-3:00 P.M.**  
**670 ALBANY STREET – LOBBY LEVEL – ROOM #107/108**  
**REFRESHMENTS AT 1:45 PM**

**SEPTEMBER**

**TALK TITLES**

September 28<sup>th</sup>

**Mario Suva, MD, PhD**

Assistant Professor of Pathology,  
Massachusetts General Hospital; Harvard Medical School  
Merkin Institute Fellow at the Broad Institute

“Dissecting adult and pediatric gliomas by single-cell genomics”

**OCTOBER**

October 5<sup>th</sup>

**Special Student Pathology Interest Group Invited Seminar**

**Thor Stein, MD, PhD**

Associate Director of the Neuropathology Core  
Boston University Alzheimer Disease and CTE Center;  
Assistant Professor of Pathology & Laboratory Medicine  
Boston University School of Medicine

“Contact sports in the development of multiple neurodegenerations”

October 12<sup>th</sup>

**Sandy McAllister, PhD**

Assistant Professor, Medicine, Harvard Medical School  
Associate Scientist, Hematology Division,  
Brigham and Women's Hospital

**TBD**

October 19<sup>th</sup>

**Scott Rodig MD, PhD**

Department of Pathology,  
Brigham & Women's Hospital  
Dana-Farber Cancer Institute

“Classical Hodgkin Lymphoma as a Model System for Studying Immune Evasion Strategies in Human Cancer”

*Boston University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Boston University School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.*

## Department of Pathology and Laboratory Medicine

Boston University School of Medicine, 72 East Concord Street, Boston, MA -2118-2526

October 26<sup>th</sup>

**Kate Jeffrey, PhD**

Assistant Professor, Harvard Medical School  
Massachusetts General Hospital  
Associate member, Broad Institute

“Misreading the epigenome:  
consequences for immunological disease”

### **NOVEMBER**

November 2<sup>nd</sup>

**Nader Rahimi, PhD**

Associate Professor  
Department of Pathology and Laboratory Medicine  
Boston University School of Medicine

"Postgenomic Cancer Cell Signal Transduction"

November 9<sup>th</sup>

**Omer Yilmaz, MD PhD**

Assistant Professor of Biology, MIT  
Koch Institute for Cancer Research at MIT  
Assistant Pathologist, MGH

“Dietary control of stem cells  
in physiology and disease”

November 16<sup>th</sup>

**Miles Miller, PhD**

Principal Investigator, MGH Center for Systems Biology  
Assistant Professor of Radiology, Harvard Medical School

“In vivo imaging of macrophage-dependent  
anticancer drug action in single cells”

**November 23<sup>rd</sup>**

**Thanksgiving Holiday-No Seminar**

November 30<sup>th</sup>

**Priscilla Brastianos, MD**

Director, Central Nervous System Metastasis Center  
Massachusetts General Hospital/  
Harvard Medical School

“Shifting Clinical Paradigms in Primary  
and Metastatic Brain Tumors:  
Unleashing the Power of Genomics  
to Clinical Care”

### **DECEMBER**

December 7<sup>th</sup>

**David Weinstock, MD**

Associate Professor,  
Dana-Farber Cancer Institute  
Harvard Medical School

“New approaches to classify,  
interrogate and target lymphoid neoplasms”

*Boston University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Boston University School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.*
