C-SEF - Psychiatry Clerkship

Evaluator: 

Evaluation of: 

Date: 

INSTRUCTIONS

In order to make these evaluations most helpful to the learner and to mitigate bias that can unknowingly affect assessments, please provide comments on OBSERVABLE BEHAVIORS (rather than personality traits) and use SPECIFIC EXAMPLES to support the observations you include. Biases to be aware of may include, but are not limited to, unconscious biases based on one's race/ethnicity, religion, sexual orientation, gender identity, or disability or other cognitive biases due to anchoring, availability bias, confirmation bias, groupthink, or reliance on gist, etc.

For the purpose of assessment we ask that you evaluate the student's performance at the end of your working period, considering their ability to absorb and implement feedback. If you are working from the desktop version of Medhub please hover over the radio buttons for specific descriptions of the students target behaviors.

ORAL PRESENTATION SKILLS

A competent 3rd year student in this domain:

- Delivers presentations that are accurate, clear, well organized, focused, and concise for most patients
- Accurately reports patient data (history, exam, tests)
- Effectively engages audience in delivery of presentations
- Presents pertinent positive and negative findings in a manner that enables listener to recognize/prioritize the differential diagnosis and rule in/out diseases
- Presents clinical reasoning, including a synthesis statement (i.e., "one-liner") with a leading diagnosis, a prioritized differential diagnosis with justification, and a management plan for common conditions

### DOCUMENTATION

A competent 3rd year student in this domain:

- Writes notes that are complete, accurate, and well-organized
- Documents diagnostic reasoning, including a synthesis statement (i.e., "one-liner") with a leading diagnosis and a prioritized differential diagnosis, justifying it with DSM-5 criteria
- Provides an appropriate rationale for the management plan for common psychiatric conditions

### DATA SYNTHESIS / DIAGNOSTIC SKILLS

A competent 3rd year student in this domain:

- Identifies and attempts to prioritize patients' major biopsychosocial problems and concerns, in the synthesis statement (i.e., "one-liner")
- Prioritizes differential diagnosis accurately for majority of common clinical problems specific to the patient including "can't miss" diagnoses
- Justifies differential diagnosis by citing DSM-5 diagnostic criteria
- Occasionally makes the correct diagnosis for typical presentations of common psychiatric conditions

did that supports what you chose above

MANAGEMENT PLANNING SKILLS

A competent 3rd year student in this domain:

- Identifies appropriate medication and therapeutic interventions for common conditions
- Attempts to suggest appropriate levels of care for common psychiatric conditions
- Identifies acute psychiatric conditions and provides recommendations for appropriate interventions
- Provides an appropriate rationale for the management of common conditions

Management Planning Skills:
Provide specific example(s) of what the student did that supports what you chose above

COMMUNICATING PLAN AND COUNSELING PATIENTS

A competent 3rd year student in this domain:

- Communicates information to the patient that is accurate
- Communicates an appropriate level of detail, emphasizes key points and encourages patient questions/perspectives/concerns
- Uses language familiar to the patient based on health literacy, avoiding medical jargon, and using an interpreter appropriately
- Checks that patient/family understands explanations/counseling
Communicating Plan and Counseling Patients Skills: Provide specific example(s) of what the student did that supports what you chose above.

TEAMWORK SKILLS

A competent 3rd year student in this domain:

- Demonstrates respectful interactions with team members and clinical staff
- Integrates into team function, by being prepared, completing assigned tasks and volunteering to help with team tasks
- Demonstrates an understanding the roles and responsibilities of interprofessional team members
- Communicates effectively with interprofessional team members
- Proactively keeps team members informed and up to date

TEAMWORK SKILLS: Provide specific example(s) of what the student did that supports what you chose above.

PROFESSIONALISM AND HUMANISTIC CONDUCT

A competent 3rd year student in this domain:

- Shows patients, colleagues, and staff respect, empathy, and compassion
- Demonstrates trustworthiness with patients, colleagues, staff and team members
• Validates patient's physical and emotional needs and tries to address them
• Demonstrates preparedness, punctuality, and reliability with student responsibilities
• Maintains confidentiality
• Receives feedback openly and uses it to grow and change behavior

Professionalism and Humanistic Conduct: Provide specific example(s) of what the student did that supports what you chose above

Additionally, please provide comments here regarding the students professional behavior related to clerkship responsibilities outside of patient care.

INTERVIEWING TECHNIQUE
A 3rd year student who is achieving behavior beyond the 3rd year competency criteria:

• Introduces self to patient and attempts to develop rapport
• Takes a chronologic history of present illness
• Attempts to use the differential diagnosis to gather data
• Follows an organized interview framework
• Uses summarization of history back to patient or checks for accuracy
• Actively listens using verbal and non-verbal techniques (reflective statements, summary statements, open body language, nodding, eye contact, etc.)
• Completes within appropriate time frame
INTERVIEWING TECHNIQUE:
Provide specific example(s) of what the student did that supports what you chose above

PHYSICAL EXAM/MENTAL STATUS EXAM SKILLS
A competent 3rd year student in this domain:

- Presents all elements of the mental status exam in a clear and organized fashion
- Accurately uses appropriate terms to describe mental status findings
- Identifies pertinent findings in patients' mental status exam

PHYSICAL EXAM/MENTAL STATUS EXAM SKILLS: Provide specific example(s) of what the student did that supports what you chose above

FORMATIVE COMMENTS (these comments are NOT for inclusion in the Dean's Letter)

Inform student about specific ways to work/improve/change, focusing your feedback on areas where they are getting checkmarks below the target behaviors. Please be specific.

SUMMATIVE COMMENTS
Provide a narrative of the student's overall performance.
