- Clerkships are “portable” but highly centralized
 - Centralized, uniform clerkship structure
 - Dates
 - Requirements and assignments
 - Grading
 - Core experiences and procedures do not vary by site

- The Kaiser Experience

- KP Silicon Valley (KP San Jose and KP Santa Clara) officially designated as a Regional Campus of BUSM in 2015
- One of the nation's largest not-for-profit health plans, serving more than 10 million members
- Leaders in the use of technology to support health promotion, disease prevention, care delivery and chronic disease management
- Focus on efficiency and organized delivery – housing as many services as possible under one roof
- Focus on patient and community
 - Emergency site: Food, shelter for people ... and pets

Kaiser Campus Highlights

- High volume and wide variety of cases
- High level of student support!
- Direct attention and teaching from attendings
- Interactions with residents
- Considerable autonomy and hands on participation, including driving camera and suturing in the OR
- Flexibility to tailor some experiences to student interests
- Experience in a highly successful integrated health care delivery system

I will deliver more babies at Kaiser than at BMC

- Fact!

I will get a better letter of recommendation if I stay at BMC

- Fiction!

I must be in good academic standing and with on time anticipated start to M3 year to begin at Kaiser

- Fact!
