Maintenance & Apartment Issues

If you experience any issues with the apartment or notice something that requires maintenance, please notify our office as soon as possible. We will contact the landlord directly to address the problem.

Note: We cannot resolve issues unless we are made aware of them, so timely communication is essential

Move out –To help ensure the apartment is cleaned and ready for incoming students- all students that have finished a rotation must leave the apartment by 10:00 am on Saturday Morning.

Cleaning – The apartment will be cleaned once per month between blocks on the final Saturday of the block. Routine cleaning is the responsibility of the tenants.

Trash – Place in green barrel at side of driveway

Recycling – Place in blue barrel at side of driveway (mixed stream)

Snow Emergency and Snow Removal – Park car in driveway – driveway and paths to be cleared by landlord

Supplies –. The house is furnished and comes stocked with dishes, utensils. Students should bring their own twin sheet set, comforters/ duvet, pillow, and towels. Students need to purchase their own consumables.

Laundry- No onsite Laundry Facilities

AC- Apartment does not have AC

Guest – No Guest allowed

Pets – Pets are not allowed at housing used for Boston University clinical rotations at away sites.

Parking – Ample on street parking is available. Please do not park in the driveway except in snow emergencies.

Keys – Your clerkship director/coordinators will email with information.

Landlords –Live onsite in the first floor apartment and are happy to help in any way.
