

Simulation-Based Teaching

Clinical Skills Center

Evans Basement

12:00 to 1:00 p.m.

Tuesday, May 17, 2011

Presenters: John Wiecha, MD, MPH, Lorraine Stanfield, MD, and Ron Medzon, MD

Target Audience: Medical Campus faculty members

The purpose of this session is to provide medical educators with an introduction to the use of simulation-based training for medical students and residents.

At the conclusion of this activity, participants will be able to:

- Use a high-fidelity simulation mannequin
- Integrate simulation-based training into teaching
- Recognize a variety of medical task simulators available for use
