Incentive Plan “Strategy” 2019-2020

Clinical: RVU, FTE, and teaching-based

Research: new awards, indirect costs-based

Priorities for the Section 2019-2020

Develop a strategy to achieve improvement of vitality/burn-out of current faculty

Lots of vitality, but lots of work

B+

Active retention of GIM faculty

Actually, remarkable!

A+

Promote scholarly and educational activities for GIM clinician educator faculty, particularly those with educational leadership responsibilities

Clinician scholarship – an aspirational new normal

B+

Continued acquisition of external grant support for GIM research, clinical and educational activities

Suspect best in the country!

A+

Priorities for the Section 2019-2020

Recruit a new Primary Care Leadership team – both Medical Director and Associate Medical Director
So exciting!

A

Advance ACO transition by functionally including panel management into our primary care practice
A steep climb that we're going to make, eventually

B-

Meet RVU expectations for GIM faculty
TBD

-

Recruitment of 1-3 PC based GIM Clinician Educator faculty
Exceeded high expectations!

A

Priorities for the Section 2019-2020

Continue to develop the NP Anchor program into a high functioning model having a major impact on clinical care quality, reducing burnout and improving satisfaction of primary care faculty

B+

In continuous development, time to formally assess

Continue outstanding GIM Grand Rounds with innovative Ambulatory M&Ms

A

Another "Best in the country"

Develop metrics by which to assess the quality of clinical work performed in the outpatient and inpatient setting

C-

Needs lots of work

Achieve promotions for 6 GIM faculty

C

Need to do better

- Staffed 5 COVID teams
- Triaged every single COVID admission and admitted a significant proportion of them
- Organized the resources of the DOM to stand up 13 COVID teams (at peak of COVID) caring for up to 220 patients in 7 geographically organized units, going from 1 COVID team to 13 COVID teams in 6 weeks
- Organized the draw down to current state of 3 COVID teams, staffed by hospitalists only.

RESOURCES ON INCLUSION

FOCUSING ON
ANTI-RACISM

We are committed as a section to:

1. Dedicate time in GIM to focus on antiracism efforts in multiple forms (i.e. Grand Rounds, affinity group discussions, interdisciplinary team training)
2. Collect and share data on the demographics of faculty and staff hires and promotions in GIM
3. Increase BIPOC hiring and retention
4. Establish processes to ensure that all understand and promote the importance of antiracism work and are equipped to create a climate of inclusion/belonging
5. Connect with the larger community of DOM, BMC and BUSM antiracism work
