# Priorities for the Section

## 2020-2021

---

Active retention of GIM faculty

*Always a top priority!*

A-

Continued acquisition of external grand support for GIM research, clinical and educational activities

*Simply outstanding!*

A+

Advance ACO transition by functionally including panel management into our primary care practice

*A multi-year task.....onwards!*

B

Meet RVU expectation for GIM Faculty (no grade)

*A COVID casualty*

-

# Priorities for the Section 2020-2021

---

Recruitment of 1-3 PC based GIM Clinician Educator faculty

A

*We continue to get the best!*

Continue to develop the NP Anchor program into a high-functioning model, having a major impact on clinical care quality, reducing burnout, and improving satisfaction of Primary Care faculty

B

*Hopefully going from good to great!*

Continue outstanding GIM Grand Rounds with innovative Ambulatory M&M's

A

*Wonderful transition of leadership*

# Priorities for the Section 2020-2021

---

Develop metrics by which to assess the quality of clinical work performed in the outpatient and inpatient setting

*Definitely need to do better*

D

Transition the role of Chief, GIM to a new talented physician (will occur October 11, 2021)

*Hallelujah!*
