

Derm Telehealth referrals and E consults

- Please see memo regarding Telehealth referrals for Dermatology. They currently are able to perform the referral in 1-2 days.
- Also, when you have patient photos, you can order a Derm E-Consults as well
- If anyone has an urgent request that they want to have seen same day they should submit the referral and call Ops Manager, Amy Roche at 617-638-7284
