Alzheimer’s Association

<https://www.alzmassnh.org/hospital/care-planning/>

<https://www.alz.org/alzheimers-dementia/coronavirus-covid-19>

A great resource for providers, nurses, patient/family education materials. Alzheimer's Association Dementia Care Coordination Program- provides telephone consultation for caregivers on many topics including education on dementia/memory loss, community resources, long term care planning, and behavioral management.

Providers will receive an email summarizing the consultation recommendations for the caregiver.

online form: https://hipaa.jotform.com/ALZ_DCC/referralform.

Massachusetts Rehabilitation Commission (MRC)
