

Boston University School of Medicine  
 Graduate Medical Sciences  
 Diversity, Equity & Inclusion

# DIVERSITY AT A GLANCE

## GMS DIVERSITY, EQUITY & INCLUSION

Graduate Medical Sciences believes that an enriching educational experience is strengthened by **diversity of thought** which in turn **drives the forces of innovation**. We embrace differences in ethnicity, race, gender identity and expression, disability status, religion, sexual orientation, immigration status and socioeconomic backgrounds in our learning community.
