

Room Use & Service Resource Scheduling Policy & Rates
Summary Document

Boston University Medical Campus (BUMC) incurs annual operating costs (e.g., utilities, cleaning, maintenance, furnishings, amortizing capital costs, etc.) for its instructional/event facilities.

These costs are funded by:

- Budget allocation to the schools (BUSM, GMS, SDM, SPH) for Level 1 activities, and
- Room rates assessed on a 'pay-as-you-go' basis for Level 2-3 activities, to the department requesting the space or the outside organization.

Level 3 External associations' and organizations' requests for use of instructional/event facilities must be made through a BUMC sponsoring department. The sponsoring department is responsible for coordination of the event and funding of the associated fees/costs.

Use of instructional/event space is classified as one of the following:
