

**If required [see above].

Boston University School of Medicine **Division of Graduate Medical Sciences M.S. in Clinical Research Program**

Directed Study Form

Directed study provides the opportunity for students to explore a special topic of interest under the direction of a MSCR faculty member. Students may register for 2 credits of directed study by submitting a paper registration form, <u>after</u> the MSCR faculty member has agreed to work with the student on a specific project. Directed studies with a non-MSCR faculty member or adjunct member <u>must first</u> be approved by and assigned to the Director of MSCR as Faculty Sponsor.

Please complete the fields below, sign and date. Please then obtain the required signatures [see above]. Once complete, please submit to the Director/Asst. Director of MSCR. You must also complete a Registration Form to add this to your schedule of courses. This proposal is for: Spring; Summer I, II; Fall Semester. Year:_____ Current Date: _____ Student Name: Last: _____ First: ____ BU Student ID: U_____ Daytime Phone Number: Email Address: _____ Faculty Sponsor: Credit Hours: 2 Course Number: CI 691 or CI 692 Project Title: _____ Project Proposal [please provide a brief description of your intended project]: Student Signature: _____ Faculty Signature: _____ Date: _____
