

## FLU SHOT CLINIC WEEK @ BUMC TALBOT GREEN

### WHO?

All Boston University **students** are welcome and very encouraged to receive a flu vaccine.

### COST?

The flu shot cost depends on your health insurance:

- If you have the **Aetna Student Health Insurance Plan (SHIP)**, the flu shot is free.
- If you have **private insurance**, SHS will bill your Student Account \$40 for the cost of the flu shot. Your insurance company might be able to reimburse you.

### WHAT DO I NEED?

The SHS Flu Clinic is by **APPOINTMENT ONLY**. You can web book an appointment on [patientconnect.bu.edu](https://patientconnect.bu.edu). You **MUST** have a negative COVID-19 test and a green badge by the time you check in for your appointment, and make sure you eat something prior to arriving.

### WHY GET THE FLU SHOT?

"Getting a flu vaccine is more important than ever during 2020-2021 to protect yourself and the people around you from flu, and to help reduce the strain on healthcare systems responding to the COVID-19 pandemic" - CDC
