Subject: Commencement Exercises

Dear Master's Candidates,

As you may have read in the recent memo from President Brown, Boston University is hosting a few different commencement exercises this spring. You are eligible to participate in both the ***All-University Commencement Ceremony*** and our GMS-specific ***Master's Convocation Ceremony***.

We encourage all Master's students to participate in the ***Master's Convocation Ceremony***, as it focuses solely on GMS graduates and their accomplishments. Per the University's guidelines, our ceremony will be pre-recorded and livestreamed on May 16<sup>th</sup>, at the same time as all other BU ceremonies. We will be using a platform called [Marching Order](#) to provide each student recognition. We will share more details as they become available.

If you choose to participate in the ***All-University Commencement Ceremony***, please refer to the [BU Commencement](#) website for more information. This ceremony will take place in Nickerson Field on May 16<sup>th</sup> and again only graduates will be allowed to attend.

Programs may opt to have additional graduation celebrations so stay tuned for more information from your Director.

We understand that this will not be a "normal" year for commencement, but know that we are determined to celebrate each of you and your accomplishments!

Best,

The Commencement Team
