Subject: Commencement Exercises

Dear Graduates,

As you may have read in the recent memo from President Brown, Boston University is hosting a few different commencement exercises this spring. You are eligible to participate our GMS-specific ***Master's Convocation Ceremony***.

Per the University's guidelines, our ceremony will be pre-recorded and livestreamed on May 16<sup>th</sup>, at the same time as all other BU ceremonies. We will be using a platform called [Marching Order](#) to provide each student recognition. We will share more details as they become available.

You also will have the option to attend the ***2020 All-University Commencement Ceremony***. The ceremony will take place on Nickerson Field, October 2<sup>nd</sup>, during Alumni weekend. Please refer to the [BU Commencement](#) website for more information as fall approaches.

We understand that this will not be a "normal" year for commencement, but know that we are determined to celebrate each of you and your accomplishments!

Best,

The Commencement Team
