

Add/Drop Request Form (Course Adjustment)

Only one form per course adjustment. If you need to add/drop multiple courses, please complete multiple forms.

Do not use this form if you intend to drop all of your classes for the semester. You must file a LOA/Withdrawal form instead. Requests to withdraw or take a leave of absence on or after the first day of the semester are subject to the University refund schedule and will be based on the day the form is received. Please follow the instructions on the GMS website in regard to withdrawing from the University.

Important: How many credits will you have after changes? How will it impact your student account? If you are presently receiving financial aid and /or are presently deferring past loans, check with <u>Student Financial Services</u> to ensure the above indicated changes will not impact your financial aid or potential loan deferment. Note that part-time status is 1-11 credits and full-time status is 12-18 credits. Mandatory health insurance is added to the account of any student registered for 9 or more credits at any point in the semester. You may not be able to waive the charge if the semester waiver date has passed.
