

Ph.D. Dissertation Defense Abstract

This form must be submitted along with one copy of the dissertation abstract at least three weeks in advance of your defense date. Prior to submission, the abstract must have been read and approved by your Major Professor, the Program Director/Chair of Department. Upon final approval by the GMS Registrar, the Schedule of Oral Dissertation Defense & Examination form along with approved abstract must be submitted online via GMS student forms webpage at least two weeks prior to defense date.

Please fill in the below fields to complete the form.
