### **M.D./Ph.D. DEGREE CANDIDATES WHO ANTICIPATE ENTERING BUSM III IN SUMMER 2023**

Since M.D./Ph.D. degree candidates are awarded both the M.D. and Ph.D. degrees simultaneously (at the time of completion of both degrees), the dates for submission of dissertations may vary from the above schedule of deadlines. Consequently, M.D./Ph.D. students who expect to complete the Ph.D. portion of their studies in 2022-2023 academic year and anticipate entering BUSM III in the Fall 2023, should follow these rules:

**Oral Exam** should be scheduled prior to returning to the third year of medical school. The **Transition form** is due prior to the scheduling of the **Final Oral Exam**. Students must stop schedule a meeting with GMS Registrar regarding completion of degree requirements.

Students should submit the **Ph.D. Dissertation Abstract** 3 weeks prior to the Oral Exam. **Oral Exam** should be scheduled 2 weeks in advance. Once your Abstract has been approved and you have scheduled your defense date, you will then need to submit a **Final Oral Examination Schedule**. Online form submission: [GMS Student Forms](#)

**Submit Final dissertation paperwork after format review has been done:** no more than 60 days after passing the Final Oral Examination. M.D./Ph.D. scholarships are not awarded until approved and signed dissertations have been accepted by the GMS Office.
