

Personal Data Update Form

Use this form to update portions of your Boston University record.

Students who wish to change their name as it is displayed on Boston University records must submit this form along with documentation of a legal name change such as a court approval of name change, marriage certificate, divorce decree, or naturalization papers to the mailing or email address above.

International students must report citizenship or visa code changes to the International Students and Scholars Office.

Boston University recognizes that there are many expressions of gender identity, however we must retain only the legal (binary male/female) sex and legal name of our students for University records and Federal reporting. Please update your directory release information should you wish to restrict the release of your legal name or other directory information. More information can be found at: www.bu.edu/reg.
