

Integrative Medicine Referral System

1. To access any Integrative Medicine services, patients must have a referral from their physician.
2. All referrals must be faxed to the Integrative Medicine Clinical Services Coordinator: 617-414-2090, attn: Danielle Dresner.
3. Patients who wish to access group visits, acupuncture, and massage must first attend an integrative medicine consult. **Note: there is a waitlist for appointments.**
4. Patients who have attended a consult will be eligible to schedule appointments for integrative medicine services. **Note: there is a waitlist for appointments.**
