How to setup/change your BU email forwarding address

- You can change the settings on your BU Account to forward all emails sent to your BU email address, including the INSPIR notification emails, to your favorite email address. To do so, go to: http://www.bu.edu/computing/email/forwarding/

https://weblogin.bu.edu//web@login3?jsv=1.3&br=ie&fl=6

APPLICATION: E-mail Forwarding System (EFS)
CONTACT: IT Help Center 617-353-HELP (4357)
The E-mail Forwarding System allows you to manage forwarding for your official BU e-mail address and your ACS account. Authentication within the past 15 minutes is required to access EFS. This measure helps to keep your information protected.

If you get the following error message:

"Error: can't find Exchange mailbox on AD."
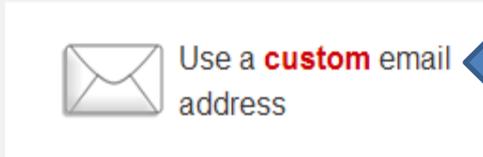

This means that your BU email account was converted to an Office365 email account. In this case, please use the following instructions instead:
http://www.bu.edu/tech/services/comm/email/office-365-outlook/email-forwarding/
