2022 Guide to Benefits For House Officers

Boston Medical Center
HEALTH SYSTEM

Dear Colleagues:

I am so proud of how everyone has risen to the challenges that COVID-19 has presented and beyond. I am reminded, once again, what an incredible organization we are. Together, we have adapted to changes in how we live, how we connect, and how we care for our patients and each other.

At BMCHS, our strength and adaptability comes from our diverse backgrounds and common focus on our mission. When we put diversity and inclusion front and center, we become a place where differences are welcomed, perspectives are respectfully heard, and every individual not only - belongs in, but contributes to - a greater healthcare community.

Over the past 5 years, BMCHS has been recognized both regionally and nationally for exceptional benefits that support our people. These awards are the result of our innovation and commitment to providing high-quality programs and resources for you and your families. We now have two clinical social workers dedicated to support you on a day-to-day basis as well as in times of critical need, and we have expanded support for families with greater access to childcare, educational, and behavioral health services. Since everyone's social environment has a profound effect on overall physical and mental health, we continue to build and deploy resources to support the many facets that contribute to your wellbeing.

Thank you for all you do every day to take care of our patients, our members, and each other.

Lisa Kelly-Croswell

Senior Vice President &
Chief Human Resources Officer

About the cover

As a system, our purpose is to improve and sustain the health and wellbeing of our patients, our members, our employees and their families. An integral part to achieving good health is the quality of our environment, so BMCHS is committed to being green! As a sustainability practice we run a 2,658 square foot rooftop farm that produces almost 3 tons of food annually. Beyond helping to feed the community, the farm decreases transportation energy use, increases urban green space and reduces the BMC Systems carbon footprint.

Your eligible dependents include:

- Your legal spouse;
- Your legal children and stepchildren up to the age of 26;
- Your legal children of any age who are physically or mentally disabled and **dependent on you** for their support, provided they became disabled before age 26; and
- Your covered child's child(ren) if your child is under the age of 19 and you claim both as qualified tax dependents.

Dependents in active military service and those who live permanently outside the United States are not eligible for BMC coverage.

WHEN TO ENROLL

There are three opportunities to elect coverage or make changes to your flex benefits.

1 When you are newly hired

If you are a new hire, you have **30 days from your hire date** to elect your benefits. Your benefits begin on your date of hire.

2 During Open Enrollment

Each November we offer an opportunity to review your current benefits and make changes, or enroll for the first time. The changes you make take effect the following January 1.

- **If you do not enroll** or make changes online during Open Enrollment, your current benefits remain in effect in the new plan year, with the new payroll deductions for that year. The exceptions are the Flexible Spending Accounts (FSA): you must re-enroll in an FSA each year if you want to participate.
- **If you are within your 30-day new hire election window during the Open Enrollment period**, you will need to enroll in benefits for the remainder of the year – in addition to making your benefit elections for the next year.

Once you make your election, your benefits will be effective until the end of the calendar year – unless you have a life event that lets you change your coverage.

3 If you experience a Qualifying Life Event

Sometimes an event, such as a marriage or a birth, means you need to change your benefits or who you cover. In that case, you have **30 days from the event date** to complete your elections in Workday. Some Qualifying Life Events include:

- Birth or adoption of a child;
- Marriage or divorce;
- Death of your spouse or child;
- Your child no longer qualifies as an eligible dependent under the plan(s);
- A change in your spouse's employment status that affects their benefits eligibility;
- A change in your employment status that affects your benefits eligibility;
- Your spouse has a conflicting Open Enrollment period.

Changing your benefits mid-year

If you or a family member experience a Qualifying Life Event, you can make IRS-allowable changes to your benefits. Instructions on how to do so are available at hub.bmc.org/employee-center/hr-forms.

- Request a change online in **Workday**. Be prepared to upload supporting documentation.
- Submit your request within 30 days of the event.
- The Benefits Office will review your request and documentation to see if you qualify to make your requested changes.
- The effective date for benefits changes **will be the day you submit your request**, except in the event of the **birth or adoption of a child** ("Special Enrollment Rights") which **will be effective on the birth/placement date**.

You cannot change your benefits mid-year if:

- You missed the 30-day limit to submit your elections; or
- You do not provide the documentation required.

In this case, you will have to wait until the next Open Enrollment period to make any changes.

Your Health

Medical & Prescription, Dental, and Vision Plans

BMC offers three comprehensive medical plans. Depending on which plan you choose, you will have different contributions out of your paycheck, pay different amounts when you receive care, and have access to different networks of providers.

BMC SELECT

A Great Place to Work. A Great Place to Receive Care.

The BMC Select plan is built around BMC's nationally recognized physicians and facilities. BMC covers the cost of this plan: There are no payroll contributions. Select plan members can choose from our wide selection of providers: most services are covered in full when you and your family receive your care within the BMC Select network. There is no out-of-network coverage. To enroll in this plan, you must live within 100 miles of BMC.

Contributions: There are no payroll contributions.

Cost of Care: As long as you receive care in the BMC Select network, most services are free, or have a \$7 copay.

PCP/Referrals: You must have a Primary Care Provider (PCP), but the BMC Select doesn't require referrals for specialty care within BMC. (Please note, however, that certain department or specialists at BMC may still require one.)

Network: You and your covered family members must receive care from the BMC Select network. This includes Boston Medical Center, Boston University Affiliated Providers (BUAP) and most providers at the Boston HealthNet Community Health Centers.

Out-of-Network Coverage: There is no coverage for services received outside the BMC Select network – with a few exceptions, like ER, Same Day Care (urgent care centers, CVS Minute Clinics, Doctor on Demand telemedicine), behavioral health, dialysis, acupuncture or services BMC doesn't provide, like chiropractic and pediatric dental.

Who's in the BMC Select network:

1. All BMC providers

2. Boston HealthNet

Community Health Centers:

Attleboro: Manet Community Health Center

Dorchester: Codman Square Health Center, DotHouse Health, Upham's Corner Health Center, Geiger-Gibson Community Health Center, Neponset Health Center

East Boston: East Boston Neighborhood Health Center

Hull: Manet Community Health Center

Mattapan: Mattapan Community Health Center

Quincy: Manet (3 locations)

Roslindale: Greater Roslindale Medical and Dental Center

Roxbury: Whittier Street Health Center

South Boston: South Boston Community Health Center, South Boston Health Seaport

South End: South End Community Health Center

Taunton: Manet Community Health Center

Not all providers in the HealthNet Community Health Centers are part of the BMC Select Network. Call 844.926.2262 or visit healthplansinc.com/bmc to confirm.

Using the BMC Select network

- Providers in the BMC Select network **cost little or nothing** for members in the **BMC Select** plan.

Care outside the BMC Select network

Chiropractic services, behavioral health, acupuncture, dialysis and pediatric dental within the Harvard Pilgrim network are all treated as part of the BMC Select network. For services not provided by BMC, you or your doctor may submit a request by contacting member services for an “extra-contractual” payment.

BMC TIERED HMO

Your Choice of Care. Priced by Tier.

With this plan, you have access to the Harvard Pilgrim network. Providers and hospitals are placed into one of three pricing tiers, with Tier 1 (BMC Select network) being the most affordable. The majority of providers and hospitals are Tier 2, which is mid-cost. Tier 3 has the highest-cost providers. You have access to providers on any tier. Please note that providers may be on a different tier than the hospital they are affiliated with. To enroll in this plan, you must live within the 6 New England states.

Contributions: See Paying for Coverage on page 8.

Cost of Care: Your copays and cost vary with the tier to which the provider or hospital is assigned. Care at BMC (Tier 1) costs the least, Tier 2 is the next highest amount out of pocket, and in Tier 3 you pay a deductible before a copay. ER visits cost the same at any location, regardless of tier.

PCP/Referrals: You need to choose a Primary Care Provider (PCP), and get referrals for most kinds of specialty care. However, your PCP and specialists can be in different coverage tiers.

Network: You and your covered family members can receive care from any hospital or provider in the Harvard Pilgrim network, including at BMC.

Out-of-Network Coverage: Other than emergency care or Same Day Care options, no services are covered out-of-network.

Decide on a PLAN

- ☐ **BMC Select Plan**
provides free coverage for members. Most care must be provided at BMC.
- ☐ **BMC Tiered HMO**
covers options for members who may live farther away.
- ☐ **HPHC PPO**
may be appropriate for members with special circumstances.

To consider:

New hires must log in and waive coverage if you already have coverage outside of BMC.

If you do NOT select a plan and DON'T waive coverage, **you will be defaulted into the BMC Select plan.**

All default enrollment will be at the individual coverage level for the remainder of the calendar year.

Due to insurance industry rules, this will become your Primary Plan. You will need to file a Coordination of Benefits for every service not covered by your default plan.

HPHC PPO

National Network. Premium Pricing.

The Harvard Pilgrim Health Care PPO is designed for members who may need to use specific out-of-network providers. Costs are higher, especially outside of the Harvard Pilgrim network. You can enroll in this plan, regardless of where you live.

Contributions: The most expensive coverage; contributions are higher than the BMC Tiered HMO Plan. See Paying for Coverage on page 8.

Cost of Care: This plan has the highest out of pocket expenses. For most services other than preventive care, you pay an annual deductible before coverage applies. Once you pay the deductible, you are responsible for a percentage of the cost of most services until you reach the annual out-of-pocket maximum.

PCP/Referrals: You do not need to choose a Primary Care Provider (PCP), although it is recommended. You do not need referrals to see specialists.

Network: You may go in or out of the Harvard Pilgrim network.

In-Network care

Hospitals and providers in the Harvard Pilgrim network, including Boston Medical Center services, are in-network for members on the HPHC PPO. This includes the vast majority of Massachusetts providers.

Out-of-Network Care

- Members on the **HPHC PPO** plan can also receive care outside of the Harvard Pilgrim network.

Out-of-network services are much more costly than in-network care. You are responsible for paying the full price for out-of-network services each year until you reach your **annual deductible**. Once you reach the deductible, you will pay 20% or 30% of the cost of care - depending on the services you receive - until you reach your annual **out-of-pocket maximum**.

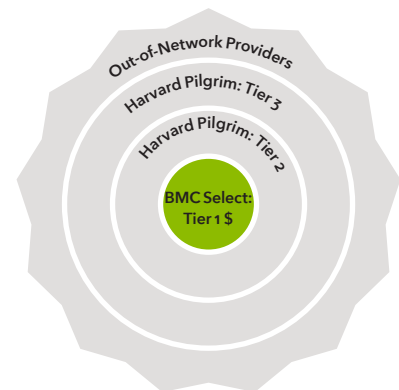

Furthermore, if you use out-of-network services and your provider bills you a higher amount than what Harvard Pilgrim pays for that service, YOU are responsible for those added costs. This is called **balance billing**, and it does not count towards your out-of-pocket maximum.

Provider Networks

Each of our medical plans gives you access to one or more provider networks. The wider the network, the more you pay for care: from very little at BMC to larger amounts out-of-network.

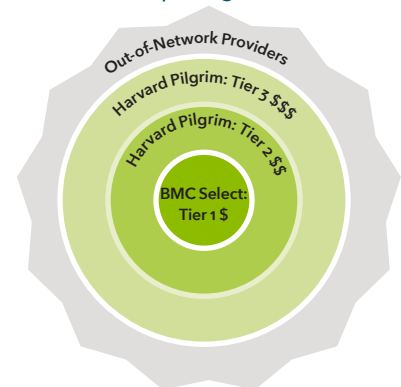

BMC Select Plan

You have access to the BMC Select network.

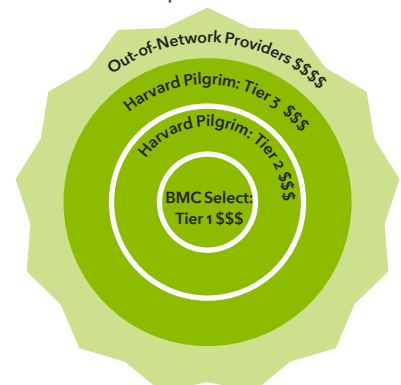

BMC Tiered HMO

You have access to Harvard Pilgrim in-network providers, with tiered pricing.

HPHC PPO

You have access to all Harvard Pilgrim providers plus out-of-network providers.

BENEFITS ACROSS ALL PLANS

Same Day Care Options

Emergency Room Care is covered at any location in the world. If you are hospitalized, call your PCP within 48 hours, or as soon as you can (or ask someone to do it for you).

Need Same Day Care and your PCP isn't available or you're traveling away from home? View the Choosing the Right Care Option directory in the "Your Plan Options" section of www.healthplansinc.com/bmc. These three same-day options are just a **\$5 copay**, regardless of which medical plan you are on:

Doctor on Demand: You and covered family members can consult with a doctor live using online video from your phone or computer. Visit doctorondemand.com/health-plans-inc for details.

CVS Minute Clinics: Are available throughout the United States with extended hours on evenings and weekends. Visit www.cvs.com/minuteclinic for hours and locations.

Urgent Care Centers: Stand alone sites not at a hospital are readily available. Most local Centers are part of our medical plans. Call HPI at 844.926.2262 to confirm.

Please note: BMC's Fast Track is part of the emergency room, and not an urgent care center. Therefore, you will be charged the \$150 emergency room copay.

Coverage for Dependents

Dependent children (under the age of 19) in the BMC Select and BMC Tiered HMO plans must live in your Plan's enrollment area.

Adult dependent children (ages 19-26) can be covered on any plan, regardless of which state they live in or their student status. Please call HPI at 844.926.2262 to register your child for out-of-area coverage and to receive a list of available providers.

Sign up for MyChart

Employees who receive their care at BMC have access to MyChart, a free and secure health information portal. With MyChart you can communicate with your doctor, view details of your appointments, review your medical history, receive test results, and search health education topics.

Go to mychart.bmc.org and click the "Sign Up Now" button to get started.

Download these apps for ease and convenience!

- **Doctor on Demand:** Consult with a doctor 24/7
- **Pocket Rx:** Manage your prescriptions at BMC pharmacies
- **My Chart:** Access your BMC medical record
- **WithMe Health:** Receive personalized assistance 24/7 on your prescriptions to lower your costs and improve your health outcomes.

CHOOSING YOUR PRIMARY CARE PROVIDER

A Primary Care Provider (PCP) is a doctor or nurse practitioner you choose to serve as your regular provider: someone you see for annual checkups. Your PCP can refer you to specialists and coordinate the medical services you need.

In the BMC Select plan:

You need a PCP, but you won't need referrals for specialty care covered under the plan. HPI will assign a BMC Select network PCP to you at the time of enrollment. You may change your PCP at any time by calling HPI's Member Services Department at the phone number on your ID card, 844.926.2262.

In the BMC Tiered HMO plan:

You need to choose a PCP - and you must receive referrals for most kinds of specialty care. Your PCP and specialists can be in different coverage tiers. Otherwise, your PCP functions the same as in the BMC Select plan. To choose your PCP, you may call HPI Member Services at 844.926.2262 or sign into your account at www.healthplansinc.com/bmc.

In the HPHC PPO plan:

You do not need to select a PCP in the PPO plan, but you are encouraged to have one to coordinate your care.

PAYING FOR COVERAGE

BMC covers most of the cost of the benefits we offer. Your contributions, which you pay through pre-tax payroll deductions, cover the rest. Your contributions each pay period depend on your scheduled hours, the plan(s) you choose, and the family members you cover.

Biweekly Medical Contributions for 2022

Medical Plans:	36 - 40 hour work week:			
	Employee	Employee + Child(ren)	Employee + Spouse	Family
BMC Select	\$0.00	\$0.00	\$0.00	\$0.00
BMC Tiered HMO	\$65.75	\$118.34	\$151.22	\$220.25
HPHC PPO	\$71.55	\$128.79	\$164.57	\$239.70

Parking for Patients at BMC

Parking validation is available when you or your family member has a medical appointment at BMC.

Patient parking is \$8/day at the 710 Albany St. and Doctor's Office Building garages. When paying the garage cashier, show proof of your appointment at the hospital from that day.

Is My Doctor In-Network?

Go to healthplansinc.com/bmc or call 844.926.2262 to find out if your doctor is covered, which tier your providers and hospitals have been assigned (Tiered HMO plan), and what your out-of-pocket costs will be.

Covering Family

We offer four coverage levels:

- Employee: Yourself
- Employee + Child(ren): You and one or more children
- Employee + Spouse: You and your spouse
- Family: You, a spouse, and one or more children

Prescription Drug Benefits

Your prescription drug benefits are the same, regardless of which BMC medical plan you choose.

Where can I get my prescriptions filled?

You have the option of filling them at one of the BMC pharmacies or through pharmacies that belong to Express Script's network.

You save the most when you get your prescriptions filled at one of the BMC pharmacies. **You can save 75% or more off your copays** and have the convenience of filling your prescriptions right where you work! There's even a concierge program that **delivers your medications directly to you at your work site. Or you can take advantage of BMC's offsite mail order pharmacy, Cornerstone, and have your prescriptions delivered to your home.** The BMC pharmacies can also assist you with transferring your current prescriptions to their locations.

For maintenance medications, you will save when you order refills for 90 days instead of 30 – either at a BMC pharmacy or mail order. Please note there is no coordination of benefits with the pharmacy program.

What do prescriptions cost?

Prescription drugs are divided into tiers, just like medical providers. When you fill a prescription, your copay will depend on which tier the drug is in. Visit www.express-scripts.com/bmc to learn more.

- **Tier 1:** Composed mostly of generic drugs, which contain the same active ingredients as brand-name drugs but cost less. You can always ask your pharmacist if there is a generic alternative to a brand-name drug.
- **Tier 2:** This tier includes both high-cost generic drugs and lower-cost preferred brand-name drugs.
- **Tier 3:** These are higher-cost brand-name drugs.
- **Tier 4:** These are a limited number of extremely high-cost specialty drugs for certain conditions.

- The OOP Maximum is the most you will pay in a year for covered services (such as deductibles, copays and coinsurance).
- * In the PPO, out-of-network providers may charge balance billing, charges beyond the usual and customary amounts allowed by insurance companies. Balance billing only arises from out-of-network services and does not count towards the OOP maximum.

How to read this table

- With a **copay**, you pay this flat amount for the service each time you receive care.
- With **coinsurance**, you pay this percent of the bill.
- "Deductible"** means that you pay the deductible first. When the deductible is met for the year, then either copay or coinsurance applies.

Dental Plans

CHOOSE FROM TWO DENTAL PLANS

Delta Dental offers two plans to allow you to select the plan that best meets your needs.

Select a Plan

- **Delta Dental Core:** This Plan has comprehensive coverage for all dental needs with a lower premium cost for members.
- **Delta Dental Enhanced:** This Plan has a higher level of coverage for members who prefer to have lower out-of-pocket costs by paying a higher premium.

Gain Access to Two Networks

Whether you select the Core or Enhanced Plan, you have the flexibility to access two different Delta Dental networks that allow you to manage your out-of-pocket costs. An estimated 95% of the providers in Massachusetts, and $\frac{3}{4}$ of providers nationally participate in one or both networks, so you are covered where you live and where you may travel.

- **The Delta Dental PPO network:** a smaller network of dentists who offer dental care at a deeply discounted rate, allowing you to maximize the value of your plan
- **The Delta Dental Premier network:** provides a larger network of dentists, but you will have a higher out-of-pocket cost for services not covered in full

You can also see a dentist outside of the contracted networks - however, you will likely pay more. All out-of-network claims must be submitted within one year of the date of service.

Find a provider

To find a provider or to see if your current provider is in one of the networks, visit **www.deltadentalma.com** and click on "Find a Dentist", or call 855.343.4275.

This is an example of how your Plan and Network selection can impact your out-of-pocket costs.

Porcelain Crown Procedure	PPO Network	Premier Network	Out-of-Network*
Standard Rate	\$1,288	\$1,288	\$1,288
Delta Dental Contracted Rate	\$928	\$1,094	not contracted
Core Plan: Covered Benefit % for Major Restorative Services	50%	50%	50%
Core Plan: Member Pays	\$464	\$547	\$741
Enhanced Plan: Covered Benefit % for Major Restorative Services	60%	60%	60%
Enhanced Plan: Member Pays	\$371	\$437	\$631

*The standard rate is for illustrative purposes only. Non-contracted providers are reimbursed at the Delta Dental Premier maximum allowable fees in Massachusetts, or at the 90th percentile outside of Massachusetts. The member pays the difference between the amount charged and the allowable fee.

When deciding whether to enroll in the Vision Care Plan, you will also want to think about the following:

- Annual eye exams are also available through your BMC medical plan.
- If you are not enrolled in a BMC medical plan, does your medical plan provide coverage for routine eye exams or discounts on eyewear?
- How much do you estimate you will have to pay for eye exams, glasses and contact lenses for yourself and your family during the year?
- Will your vision care expenses for the year be more than the premium cost for coverage under the Vision Care Plan?
- Are you planning to establish a Medical Flexible Spending Account to reimburse yourself, tax-free, for unreimbursed vision care expenses?

Flexible Spending Accounts

Flexible Spending Accounts (FSAs) are a convenient way to put aside money, on a tax-free basis, to pay for certain medical and day care expenses. BMC offers two FSAs: a Medical FSA and a Dependent Daycare FSA. You may enroll in one or both, and determine separately the amount to set aside for these expenses each year.

You must re-enroll each year during the Open Enrollment period if you wish to set up an FSA for the following year. Changes to your annual FSA election(s) during the year are not allowed unless you have a qualifying event. (See the Eligibility and Enrollment section.)

MEDICAL FSA

Maximum election: Up to the IRS allowable amount each year, divided evenly among the pay periods remaining in the year.

Carryover: Any unused funds from 2021 can be carried over into 2022. This temporary provision is ending after the 2021 calendar year. The carryover limit from 2022 into 2023 for any 2022 unused funds will be limited to 20% of the IRS annual contribution limit for 2022.

Reimbursement: You receive a debit card to use for eligible expenses.

Eligible expenses: Costs that your health plans (medical, dental and vision) do NOT cover, including: deductibles, coinsurance, copays, prescriptions, dental/vision care not covered by your plans, and parking at your doctor's office.

DEPENDENT DAYCARE FSA

Maximum election: Up to \$5,000 (\$2,500 if married and filing separate tax returns), divided evenly among the pay periods remaining in the year.

Carryover: Any unused funds from 2021 can be carried over into 2022. This temporary provision will end after the 2021 calendar year. There will be no carryover allowed for any 2022 unused funds into 2023.

Reimbursement: You pay for all services and then submit your claims for reimbursement to BMC's FSA administrator.

Eligible expenses: Daycare expenses needed for you and your spouse to work full-time. Daycare is eligible for reimbursement for children under the age of 13 and for IRS-recognized disabled dependents of any age.

Each year, BMC is required by IRS regulations to perform non-discrimination testing to balance FSA participation levels between highly compensated employees and those less highly paid. Depending on the results of this testing, the Dependent Daycare FSA elections for some program participants may need to be reduced.

Debit Card for Medical FSA

When you enroll in the Medical FSA, you'll receive a debit card to use FSA funds directly at the point of payment. Many transactions will be "auto-adjudicated" - no paperwork required.

You may need to submit claims for some dental and vision expenses, as well as deductibles and coinsurance. You will be notified by email or mail if you are required to submit receipts.

Before you enroll, read the FSA Plan Guide on hub.bmc.org/employee-center/benefits/health-and-insurance-benefits to understand the plan.

Your Wealth

Insurance, Retirement, and Financial Resources

It's important to plan even for the unthinkable. These insurance benefits help provide financial protection to those you care about.

BASIC LIFE INSURANCE

BMC pays for:

- 1x your annual salary

You are automatically enrolled in basic life insurance at no cost.

OPTIONAL LIFE INSURANCE

You may purchase:

- 1x to 3x your annual salary, up to \$750,000, rounded up to nearest \$1,000

If you wish for more protection than the basic life insurance plan, you can select this additional coverage in multiples of your annual salary. Rates are based on your age and the coverage you select.

During Open Enrollment:

- If you wish to elect an amount of coverage over \$300,000 or increase by two or more levels, you must provide Evidence of Insurability (EOI) for a determination of insurability.*
- You may elect 1x your salary without submitting EOI, or you may increase your current coverage by one salary level without providing EOI – as long as the amount is \$300,000 or less.

For new hires:

- Only amounts over \$300,000 require employees to complete an EOI form and submit it to the insurance carrier for a determination of insurability.

Age Reduction

Your optional life coverage will be reduced to 65% of your elected coverage once you reach age 65 and to 50% once you reach age 70.

What is Evidence of Insurability?

*Evidence of Insurability (EOI) is a medical history questionnaire that must be submitted to the insurance company to determine if they will approve your election.

ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

BMC pays for:

- 1x your annual salary

You are automatically enrolled in basic AD&D insurance at no cost.

You may purchase:

- 1x to 3x your annual salary, up to \$750,000, rounded up to nearest \$1,000
- You must first enroll in the Optional Life plan for an equal or greater benefit in order to elect the AD&D coverage. (Example: If you want 2x salary of AD&D coverage, you must also elect at least 2x Optional Life Insurance.)

AD&D provides additional insurance if you were to die in an accident or lose a limb or your vision due to a non-work related accident. EOI is never required.

DEPENDENT LIFE INSURANCE

You may purchase:

For Your Spouse

- Your coverage options for your spouse are: \$10,000, \$25,000 or \$50,000.
- Your spouse's election cannot exceed 50% of your total life (Basic plus Optional) election.
- EOI may be required to cover your spouse:
 - To enroll or to increase coverage for your spouse during Open Enrollment, you will need to provide EOI.*
 - New hires may elect up to \$50,000 of coverage without providing an Evidence of Insurability for your spouse.

For Your Dependent Children

Coverage for your dependent children is automatically included when you purchase any amount of coverage for your spouse.

- Live birth to 14 days: \$1,000
- 15 days up to the age of 26: \$10,000 each, regardless of how many children you are covering.
- If you are not covering a spouse, you may purchase just the \$10,000 benefit for your child or children.
- You are not required to provide an EOI to enroll your child(ren).

Decide on COVERAGE:

■ Basic Life Insurance

You are automatically enrolled.

☐ Optional Life Insurance

Elect a multiple of your salary:

☐ 1x

☐ 2x

☐ 3x

☐ AD&D Insurance

You can elect up to an amount equal to your Optional Life Insurance.

☐ Dependent Life Insurance

You may choose an amount below to cover your spouse; children are included automatically with any election.

☐ \$10,000

☐ \$25,000

☐ \$50,000

Beneficiary Designation

All employees need to make a beneficiary designation in Workday to avoid probate and ensure your intended beneficiary receives the benefit.

To consider:

Coverage above a certain amount will require you to submit Evidence of Insurability before you are approved.

Disability and Leaves of Absence

You are automatically enrolled in a disability plan through the Committee of Interns and Residents. As an employee of BMC, there is no cost to you. For details or to file a claim, please contact the Department of Graduate Medical Affairs at 617-414-7409.

You must apply for a leave of absence 30 days prior to the beginning of your requested leave date. Exceptions are made for unexpected events such as emergency surgery or illness. To apply for a leave, call Lincoln at 844.869.3474.

Leaves are for time needed away from work lasting more than 5 days or on an intermittent basis.

MASSACHUSETTS PAID FAMILY AND MEDICAL LEAVE

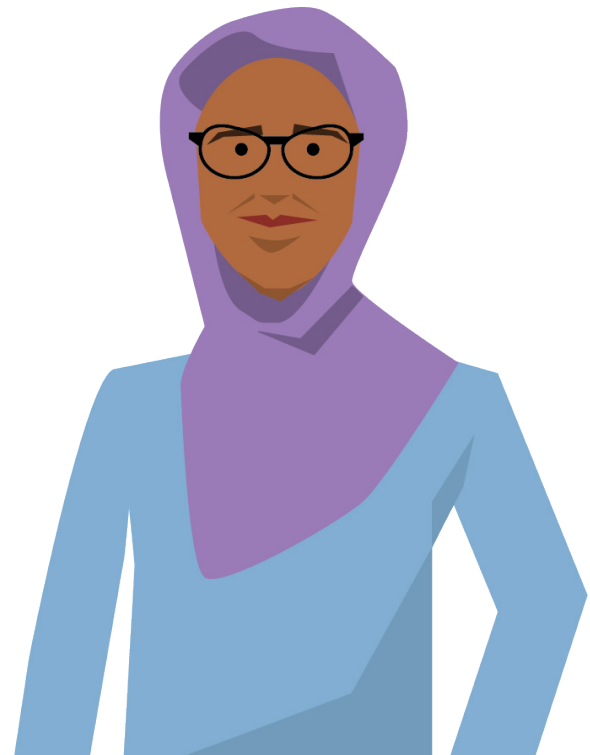

Massachusetts Paid Family and Medical Leave (MPFML) is a state-sponsored benefit that provides paid leave for medical or family reasons. MPFML is funded by payroll taxes.

To calculate your benefit, visit calculator.digital.mass.gov/pfml/yourbenefits.

Leaves can be taken for yourself for a serious personal health condition (up to 20 weeks); to bond with a new child or manage family affairs when a family member is on active duty in the armed forces (up to 12 weeks); to care for a family member who is a covered service member (up to 26 weeks).

403(b) Retirement Plan

INVEST IN YOURSELF

Everyone deserves a secure retirement. BMC's retirement plan makes it easy to prepare for your future by enrolling you in our retirement plan automatically. You can leave your account alone, or increase your contributions at any time – the important thing is that you are investing now to give your money time to grow.

BMC 403(b) Retirement Plan

Eligibility: Everyone who receives a paycheck from BMC is eligible to participate.

How it works: After you are hired, you are auto-enrolled in the plan with a 3% pre-tax contribution. Your contribution rate will automatically increase by 1% each year, unless you make changes to your election. (New hires may 'opt-out' within 90 days of the first automatic withdrawal by calling TIAA at 800.410.6649.) The money is directed to a Life Cycle fund based on your expected year of retirement.

You may also choose your own investment options. Changes to your investments and contribution elections can be made at any time during the year. This plan allows for both pre-tax and post-tax (Roth) contributions.

To Make Changes

If you are not currently participating in the 403(b) Plan and would like to enroll, change the amount that you're currently contributing, or update your beneficiary information, you can do so by either:

- Signing into Workday and clicking on the "Benefits" icon, then clicking on "BMC 403(b) Retirement Plan" under the External Links header, or
- Calling TIAA (800.410.6649) and making your elections/changes over the phone.

Decide on COVERAGE:

- ☒ **BMC 403(b) Retirement Plan:**
You are automatically enrolled at a 3% contribution rate, which increases by 1% each year.
- ☐ **Opt-out:**
Within 90 days of the first automatic withdrawal, you may opt-out of the auto enrollment and receive back previously contributed funds by calling TIAA at 800.410.6649.
- ☐ **Change:**
You can change your contribution amount or investments at any time.

To consider:

The contributions you make early in life compound over time. If you can, try to contribute more than the minimum.

TIAA Investment and Savings Advice Sessions

BMC employees are eligible to receive free personalized retirement plan advice from a TIAA financial consultant. This session will cover the 403(b) plan's investment options and how to project the amount of money you'll need in retirement. This service is available as part of the BMC retirement program and can be done onsite at BMC, online, by phone or shared screen.

Visits onsite at BMC and at the local TIAA offices (Braintree/Cambridge/Waltham, MA; Hanover, NH; Portland, ME; Providence, RI) are temporarily suspended but will resume once it is deemed safe to do so.

For retirement plan and investment information, to enroll in the Plan, or to schedule a 1-on-1 advice session, please contact TIAA at 800.410.6649.

Managing Your Retirement Plan Online

To access your TIAA account online, log into Workday, click on the *Benefits icon*, and then select the *BMC 403(b) Retirement Plan* link. Once in your account, you can:

- View your account balance
- Manage your contributions
- Update your beneficiary designation

Do you know if you should:

- Contribute to your 403(b) account on a Roth or Pre-tax basis?
- Pay off debt in the "Avalanche" or "Snowball" method?
- Ask for a mortgage modification?
- Increase (or start) an emergency fund?

If you're not sure, take a tour of TIAA's online financial education program, EVERFI. This program offers an engaging digital learning experience that you can access from your computer, phone or tablet, in both English and in Spanish. Once there, you will find a series of tracks on personal financial topics that contain a sequence of activities for you to complete such as watching a short video, working an interactive module, or completing a calculator tool to gain an understanding of the topic.

Special Enrollment Rights

If you do not enroll yourself and your dependents in a group health plan after you become eligible or during annual enrollment, you may be able to enroll under the special enrollment rules under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") that apply when an individual declines coverage and later wishes to elect it. Generally, special enrollment is available if (i) you declined coverage because you had other health care coverage that you have now lost through no fault of your own (or employer contributions to your other health care coverage terminate); or (ii) you have acquired a new dependent (through marriage or the birth or adoption of a child) and wish to cover that person. When you have previously declined coverage, you must have given (in writing) the alternative coverage as your reason for waiving coverage under the group health plan when you declined to participate. In either case, as long as you meet the necessary requirements, you can enroll both yourself and all eligible dependents in the group health plan if you provide notice to the Plan Administrator within 30 days after you lose your alternative coverage (or employer contributions to your alternative coverage cease) or the date of your marriage or the birth, adoption, or placement for adoption of your child. See the Plan Administrator for details about special enrollment.

Women's Health Coverage and Cancer Rights

The Women's Health and Cancer Rights Act of 1998 ("WHCRA") requires group health plans, insurance issuers, and HMOs who already provide medical and surgical benefits for mastectomy procedures to provide insurance coverage for reconstructive surgery following mastectomies. This expanded coverage includes:

- (i) reconstruction of the breast on which the mastectomy has been performed;
- (ii) surgery and reconstruction of the other breast to produce a symmetrical appearance; and,
- (iii) prostheses and physical complications at all stages of mastectomy, including lymphedemas.

These benefits are subject to the plan's generally applicable deductible, copays, coinsurance, and other cost-sharing.

Patient Protection Disclosure

You have the right to designate any participating primary care provider who is available to accept you or your family members (for children, you may designate a pediatrician as the primary care provider). For information on how to select a primary care provider and for a list of participating primary care providers, contact the Plan Administrator. You do not need prior authorization from the Plan or from any other person, including your primary care provider, in order to obtain access to obstetrical or gynecological care from a health care professional; however, you may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Health Plans Inc (844.926.2262) or view the provider directory online at healthplansinc.com/bmc.

Gender Affirmation Surgery

Gender affirmation surgery and other related services are covered when your provider has determined that you are an appropriate candidate in accordance with the Plan's clinical guidelines. Coverage includes surgery, related physician and behavioral health visits, and outpatient prescription drugs. For more information please call HPI's Member Services Department at 844.926.2262.

Notice of Privacy Practices

The Notice of Privacy Practices can be found in the Flex Summary Plan Description on the Hub, or you may pick up a copy in the Benefits Office on the 5th floor of 720 Harrison Ave, Boston MA 02118.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1- 877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. I

f you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272). If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums.
